CHAMPION FROSTFIRE'S GALADRIEL

OFA-SA-1011

GoGo was a 21 inch bitch that weighed about 50 lbs. She was stark white with a soft coat. Her coat was the type that knowing breeders would come over and feel it and still comment "How Beautiful" It was long and so white it looked unreal. It was very soft so was not a correct coat. She was bred by Joan Sheets and when Joan went out of dogs she sent Gogo to me and she lived out her life here at Silveracres. She had bloat once but it was mid-morning and we took her to the Vet and y putting the tube down she was OK and it never occured again. She was bred six times and produced 15 puppies. of those 15 , 5 received their AKC championship and three received their CD with Gayla also getting her CDX and 2 legs on her UD. 3 others were heavy pointed that did not finish. Our Indy needed only a major for her championship. Gogo passed away in 1984 of lung cancer.
