News that many of our readers are waiting to hear, is of the results of the Oakland Show of March 21-22, so here it is.

There was an entry of 34 Sams although 5 of these were absent. The Judge was Mr. C. J. Cassleman of Van Nuys, California.

The judging took place in ring 2—in the new location for Oakland's show—the Exposition Building. The overhead lighting (that is, skylights through which the sunshine streamed) made for brighter rings—however, due to circumstances over which we Sammy judging spectators had no control, it was almost impossible for us to see the actual gaiting and judging of the dogs. There was an aisle between the lines of seats and the actual ring—and this was either crowded with thoughtless folks standing blocking off everyone else's view—or there was a continual stream of folks with their huge Danes passing back and forth to their own ring.

So our report is just from a marked catalogue—this we sincerely regret!

Winners of First placements were:—

Puppy dogs—6-9 months—Charles H. Blank's Cheechako of Whitecliff (Ch. Petra of Valiki ex Samoyland's Frosty's Natasha).

Open bitches—Edmund and Mary Breatchel's Harna of White Frost (Pala Sam's Christi ex Obi Snow).

Winners Bitch—Harna of White Frost.

Reserve—Siberian Silver Sue

Best of Breed—This was one of Southern California's many times winner—Shirley Ann Hill's Ch. Prince Comet (Verla's Comet ex Verla's Aida).

Best of Opposite Sex was Mr. and Mrs. B. P. Dawes' Ch. Vrai of Lucky Dee (Ch. Lucky Labon Nahum ex Ch. Faustina Fauna).

Vrai's litter brother, the lovely Ch. Bunky of Lucky Dee—came to the show with an unfortunate eye injury. We have learned since that on the day following the show Bunky developed a high fever—and a couple of days later developed lock-jaw, showing that in spite of 4 X-rays, miracle drugs, expert attention of 3 veterinarians and the loving care on the part of his owner, tragic trouble can develop from the minutest injury. We have no recent report on Bunky's condition and can only hope that he has overcome the infection.

Among visitors and Sammy-owning friends to the Sammy benches, we were happy to greet Mrs. Levant Brown and Mrs. Sheri Rowe of Ross, Mr. and Mrs. P. Anton Stang of Mill Valley, Mr. and Mrs. Carl Ritter of Oakland, Pvt. Donald Heil of Chicago (now stationed at the Presidio of Monterey, California) and Mr. Ernest Saunders and Mrs. Bonham of Oakland.

We have learned that Ch. Vrai of Lucky Dee, handled by Charles Wunderling, was Best of Breed at the Santa Clara Co. show and went on to place First in the Working Group—with Derek Rayne judging. Vrai is a beautiful "mover" and is always put down in such excellent

condition—she cannot but attract the judge's eye. Congratulations, Hazel!

We are sorry to report the recent passing of Mr. Dawes' mother in Michigan—after many years of suffering.

It has also been called to our attention, through a report from Mrs. Dorothy Larson, that one of the former members of our Sam Club of America, Mrs. Mae Stewart passed away early in 1953. Our sincere sympathy to their sorrowing families.

It is through the kindness of Miss Juliet T. Goodrich, one of our energetic Midwest members, that we send you the report of the Chicago judging of Sams by Judge Louis J. Murr:

No puppy or Novice entries.

Bred by Exhibitor—Winner was Thomas Schneider's Sardar of Elltee (Balaiya Doroga Boorya ex Lt's Lulo Luloto).

American bred dogs—E. Dyke's Tundra Prince Bowser (Ch. Grolnick of Sammar ex Tundra Princess Vicki).

Open Dogs—Robert A. Kauffman's Sabre of Wal-Lyn (Sabre of Sammar ex Ballerina of Wal-Lyn) who also placed as Winners Dog, with Reserve being taken by Ruth Kilbourn's Deyomas of Ibur (Snowland Sarnac ex Snowland Nicolette).

Novice Bitch—Winner was Juliet Goodrich's Valkki of Snow Shoe Hill (Jack Frost of Snow Shoe Hill ex Snowland Vision).

American-bred bitch—R. E. Brott's Hadessi of Top Acres.

Snowland Taz ex Ch. Sparkle Plenty of Arbee).

Open Bitch and Winners Bitch—Juliet Goodrich's Reena of Snow Shoe Hill (Jack Frost of Snow Shoe Hill ex Snowland Vision).

Reserve Winners Bitch was Thomas Schneider's Lt's Lulo Luloto.

Best of Breed was Gail Allen's Ch. White Frosting (Ch. White Cap of Snow-White ex Yasmin of Top Acres).

Best Opposite Sex was Mrs. Lucy Forbes' Ch. Patrika of Top Acres (Ch. Martingate Snowland Taz ex Sparkle Plenty of Arbee).

Well—we are happy that it has arrived—especially as newspaper clippings have poured in regarding this outstanding Sammy. One of the stories from headlines, strewn across the page of a copy of the Boston Daily Globe reads — “Samoyed Ch. Silver Spray Captures Best of Show.” The article, by Robert Caulfield (dated February 24, 1953) reads in part:

“Ch. Silver Spray of Wychwood, a beautiful white Samoyed, tonight became the first dog of its breed ever to win the Best in Show in the Eastern Dog Club before a large crowd at Mechanics Building.

“Owned by Mrs. Bernice B. Ashdown of Manhasset, Long Island, N. Y., and handled superbly by Charles Rollins, it was only the 7th time that the breed had won top laurels in a show, and Silver Spray has done it four times.

“Judge Theodore C. Hollander of South Hamilton says, ‘It is one of the best dogs of the breed that I have ever seen and one of the best of any breed.’ Judge Hollander admitted that he narrowed the finalists down to the Samoyed and Ch. Arley Adorable of Harham, an English wire-haired fox-terrier owned by Mrs. Harold Florsheim and handled by Thomas Gately.

“Upon making his choice, Hollander advanced dramatically and pointed to the fluffy Samoyed and a great roar went up from the throng.

“Silver Spray has been acclaimed by some experts as the hottest dog in the country now that Rancho Dobe's Storm has retired. Last week end in Hartford, he (Silver Spray) was named Best of Show and the following day Best American-bred, at New Haven.”

Many thanks to Helen 2nd for allowing us to take a peek at a letter to her from Jack Baird (February 20th) who said in part—“Witness results of this past week-end.

“Foot Guard's Show at Hartford, February 14 drew 835 dogs, and who came to the center to receive the very beautiful trophies under the judging of Col. Joseph C. Quirk but Mrs. Ashdown's very ‘hot’ Ch. Silver Spray of Wychwood — put down by Charlie Rollins in the most sparkling condition I've ever seen a dog. Even the casual showgoers here that usually root for sporting dogs, asked ‘How can a judge deny so truly a quality dog?’

“The next day was Elm City's event at New Haven, and with Mrs. Priscilla St. George Ryan doing the Best of Show honors, ‘Spray’ went Best American-bred, losing the Best of Show title

by a very thin margin to Seafren Kennels remarkably-coated miniature poodle, Ch. Breevel Biscuit.

“Of great interest to me was the report from Cruft's huge show that ‘Spray's’ grand-dam, mother of Mrs. Ashdown's show-winning English and American Champion, Princess Silver-tips of Kobe, had picked up her twelfth or thirteenth Challenge certificate there, at the age of 8½ years. Sort of shows that ‘Spray’ has well come by the quality that has given him three Bests of Show and one American-bred, in so short a space of time.”

And then folks, in a following letter Mr. Baird wrote:—“Eastern was Fifty-first anniversary of my first dog show, and right in the same building, and I don't think I was any more thrilled at 6 years of age with my first show than I was the night of the 23rd when I saw my faith justified and Ted Hollander, who has been in dogs since cradle days, and is a bug on soundness and ability to move, make his Best of Show the sparkling white Ch. Silver Spray of Wychwood—bred and owned by Mrs. Bernice B. Ashdown of Manhasset, New York and handled by Charlie Rollins.

“It was a terrifically popular win and I'll bet that all the press, most of the handlers and most of the other judges in the show were rooting for Mr. Hollander to do just what he did. It was the first time a Samoyed even had won the Group, and now Spray has four Show wins and one Best American-bred, with the latter and the last two shows coming in the space of nine days.”

And so, folks, we are happy to be able to give you a picture of Mrs. Ashdown's home-bred, Ch. Silver Spray of Wychwood, the Samoyed that has thrilled so many with his magnificence — and is doing so much for our breed. Congratulations!

#### Here's Great News From Romallen

March was a banner month for Romallen Kennels, their Champion White Frosting having taken Best of Breed on two important occasions. At the National Capital Show in Washington on March 15, Frosty took top honors with an entry of eleven Samoyeds. His kennel-mate Narguess of Top Acres was Best of Winners against two other bitches and five dogs—a three point win for the little girl!

Narci was also Best of Winners at the Kennel Club of Northern New Jersey Show at Teaneck, New Jersey on March 22—another

two points for her, making fourteen in all. And again at the Chicago International Show on March 28, Champion White Frosting captured the “Purple and Gold.” This time with an entry of thirty-seven Samoyeds. This is the first time in several years that an eastern Sammy has won Best of Breed in Chicago. However, the midwest people seemed quite content since they really consider Frosty a midwest dog! He was whelped in Tokyo, Japan on April 20, 1950. His sire was Champion White Cap of Snow White and his dam Yasmin of Top Acres. And now meet the Imported English Ch. Janet Jan Mayen.

The importation of English Champion Janet Jan Mayen by Major General and Mrs. Koderrick R. Allen of Romallen Kennels is of tremendous importance to the Samoyed fancy in the United States. Champion Janet Jan Mayen is at present the youngest of English Champions, having attained her title at the age of eighteen months. This is a phenomenally early age for Championship in England due to the stringency of their requirements for this honor. Janet also enjoys the distinction of being the only bitch ever to have been awarded the Junior Warrant. Her sire is Snowland Sarnac (Champion Martingate Snowland Taz—Snowland Joan) of Mrs. Ada L. Westcott's Kennels in Exeter, England.

Her dam is Judith Jan Mayen (Champion Destiny of Khatanga — Norwegian Champion Snowland Elena). Janet comes to this country in whelp to Mrs. Westcott's well know Snowland Rusky, who was sired by the original Taz. The record of the elder Taz for siring and grand-siring champions, double and triple champions, and even one World Champion, has never been equalled in England, or elsewhere. Rusky himself has a enviable record of Champions in his progeny. He sired Irish and English Champion Snowland Vodo, English Champion Snowland Marda and others of note. Janet's arrival by air in late April is well in advance of her whelping date June 2nd.

Continuing with a brief history of Frosting's show successes, may we say that this young fellow made his debut at the Brockton (Mass.) Fair Show in September 1952 at the age of 16½ months. Since that time he has been shown 20 times and has won 18 times with 10 Bests of Breed to his credit. He completed his championship at Westminster February 9-10.

Narguess of Top Acres (Martingate Snowland Taz out of Sparkle Plenty of Arbee) took Winners bitch at Westminster, Best of Winners at Boston and Best of Breed at White Plains, New York show. She now has nine points and is flying high!

Folks—have you heard that Mrs. Allen is taking over writing the Sam news for Dog News—her first column to appear in the May issue! Congratulations, Mrs. Allen—and nice going!

Mrs. Allen tells us (a letter dated March 12th) that her husband, Major General Roderick R. Allen, has joined our Samoyed Club of America—a member of the Eastern Division. He has become interested in the latest addition to Romallen Kennels—Snow Beau of Nordleys, 4 months old. Beau is sired by Ch. Peter Pan out of Ulfeng's Ch. Snow Flicka. "He was named for his illustrious grandmother, Snowbelle who gave Ch. Tazon, Ch. Tazbel, Ch. Truls, Ch. Tazyia and many, many other outstanding Sams.

And now—the latest thrill—for Mrs. Allen and all of us—read all about it on her special page in this issue!

It was nice to hear from Mr. and Mrs. H. E. Wheelock (recently of the Canal Zone) and to learn that they and their Sams have located in the United States—even though they chose Southern California (Van Nuys)—the place is temporary until the new home is completed—which can't happen too soon for them as 'Nicky' and 'George' have no fenced yard in which to play. Mrs. Wheelock says that through the kindness of Billy Tucker the dogs have been able to enjoy one of the fenced areas at her place

in Encino for hours at a time. They both bark joyfully when they near the place and can hardly wait to get in and dash into the yard to play.

Mrs. Wheelock says she has been getting a big thrill out of seeing the Kobe-Kof-Ka and Kazan litter and watching them grow. They are such fat, furry little things—and so full of pep.

A welcome letter from Billy Tucker tells us that only four of the above-mentioned babies are left for sale, and they haven't been advertised locally as yet. One pup will be going to Nebraska and another to Georgia. Mrs. Tucker tells us that she does have the registered name of Kobe for her kennels—but so far has continued to use the "of Encino" title. However, with six Sams bred in the English Kobe Kennels (Suretta's first litter by Ch. Raff of Kobe was English bred and American born) it seemed well to obtain the title of Kobe, especially with pure Kobe home-breds being produced at Encino. Wanda of Kobe—the newest import is getting along fine—with her new coat developing nicely. Good luck—Billy!

the picture of his sire, Int. Ch. Snohomish of Oceanside—at one time owned by Mrs. Pamela Rhanor Ebersoll. "Boots" was whelped by Morozko's Pola.

"I was awfully sorry to miss Oakland show this year," writes Lois Raynor, who is back in Southern California until late in May when she plans to again take a trip east—with her Chinde of Caspar, C.D.X. and his granddaughter, Devochka.

Lois tells us that Mrs. Bezanson writes that Metel's puppies in Nova Scotia are big and husky—and well pigmented. One of them has gone to live way up at the end of Cape Breton Island. It is possible that Mrs. Bezanson and Dr. Bezanson plan to keep a male and female from this litter for themselves.

Mrs. Cecil Laughery writes that she has received word from Mrs. Chandley of Snow-White Kennels (Robertsville, Mo.) that she has just shipped a pair of Sams to Lima, Peru. The male was sired by Mrs. Chandley's Frosty Kola out of Snow Princess V.

There is a new Sam at the Laughery's home—a female puppy called Wendy. She is a daughter of Kolita and is sired by a son of Ch. Snowland Stara.

Speaking of Oregon brings to mind our delight in having a visit some days ago from Mrs. George Russell of Prineville, Oregon — who stopped for a short time on her way back to Oregon from Arizona where she had been for her health. It was a real treat to talk with Mrs. Russell with whom we had corresponded for many years though never met. She had her Nick and Dick in the car with also their companion. Both Nick and Dick are now close to 10 years old — with poor old Nick showing his age — though Dick belies his. It was Dick, I believe, that was the cattle herder — while Nick preferred to hunt coyotes and such.

So glad you stopped in to see us, Mrs. Russell!

Wish you could see the lovely quilt made by Mrs. R. V. Collicott of Albany, California. What's so wonderful about it? Well, it's made from the combings of their late Northern Chieftain, which Mrs. Collicott had washed and saved.

Each block in the quilt was hand stuffed and sewn so that the quilt may be laundered without the hair scratching about or balling up. When completed the spread was a beautiful thing — its outside covering being a hand made blue satin cover with tiny tufts of pink. And warm! —ask Kenneth who slept beneath it during the chilly winter nights.

Mr. and Mrs. Thomas Schneider are enjoying the new pup (now about 7 months old) which they have acquired — named Elkenglo's Jola. He is a son of Ch. Martingate Snowland Taz, out of Frona of Blakewood. "Jola's black points are complete — and he has smoky black eyes like our Luto", wrote Mrs. Schneider. Jola weighs about 55 pounds, has nice bone structure and well-placed short ears. "He has to get acquainted with the rest of the animals at El-Tee — there are cows, rabbits, chickens and even two pigs — along with two grown Sams and their six promising sons and daughters. In fact Jola is already finding the new life is very much different from city life — and its lots of fun.

We understand that due to circumstances Long has sold the entire litter of 9 puppies (whelped by Modoc of Lucky Dee, sired by Gertrude Adam's Raicer Suraine) to Hazel Dawes Modoc of Lucky Dee and many other fine Sams,
