The first news of the results of the Big Bear Valley Sled Dog Derby (So. Calif.) of February 5th, comes to us from Mel Fishback of Agoura, Calif. If later reports come in we shall rush them along.

Mel tells us; "the Sammies took the day, as every event was won by a Samoyed team. The two and a half mile race was taken by Lloyd Bristol with her five dog team (all champions and from the same litter), led by Ch. Starchak's Witangemote. Second place won by Chuck Burr with his five dog team led by Winter Trail Blizzard. Third place won by Lloyd Van Sickle with his 3 dog team led by Mrs. A. E. Mason's Rex of White Way. Fourth place went to Lee Fishback with his four dog Team led by Big Teddy Bear.

The winner won in ten minutes and few seconds. First four placings finished within four minutes of each other.

The weight pulling contest was won by the team led by Mrs. Mason's Rex of White Way.

The Children's Race 8-14 years old won by Linda Lee Moll with Beau Brummel of Neva in the lead. The Children's Race for 14-18 years old was won by Danny Moll using this same team. The Scavenger Race, was taken by Ken Bristol with his five dog team led by Ch. Startinda's Talnik.

"Trophies were lovely little plaques with the title of the event—date and place engraved on them. Ribbons were awarded to 4th place. Mel Fishback was driving various dogs in the events and often was too involved with them to see the finish. She took the Amateur Race with Jean Blank's Ch. Cheechako which she de-

scribes as, "the most powerful dog I've ever seen, and though it was his first time in harness, he really took us for a ride."

It was agreed that all had a wonderful time—and are looking forward to next years meet.

Special interest is being shown for some of the teams to train for an American entry in the 1960 Olympics. (More on this later.)

Some Show Reports

We wish to thank Gene Bennett of San Francisco, and Hazel Dawes of Cupertino for reports of the Golden Gate and Marin County shows.

At Golden Gate, January 22, there was an entry of 28 Sams with 2 points for each sex. Winners dog and Best of Winners was Chipe-wayan of Whitecliff, owned by Mr. and Mrs. Richard Mack of Mt. View, Calif. R.W.D. was Pashak of Seveer, owned by Mr. and Mrs. R. S. Butler, Jr. of Sherman Oaks, Calif.

Winners bitch and Best Opposite sex was Sisipuk of Whitecliff, C.D. owned by Jean Blank of Los Altos. Reserve winners bitch was Silver Crest's Sikandi owned by Helene and Layard Spathold of Irvington. Best of Breed was Champion Cheechako of Whitecliff, owned by Charles Blank.

"It is interesting to note that the Best of Breed dog and Best Opposite sex are litter brother and sister (Ch. Petra of Valiki ex Samoyland's Frosty Natusha). King Petra, a litter brother, is the sire of the Winners dog Chipe-wayan of Whitecliff."

Marin County Show, February 5

At Marin, there was an entry of 6 dogs and 3 bitches and 3 Specials for Judge Julius Dupon. Winners dog was Twig of Lucky Dee (Ch. Bunky of Lucky Dee ex Ch. Modette of Lucky Dee) owned by Mr. and Mrs. B. P. Dawes. R.W.D. was Kookooshka of Whitecliff (Lutsky ex Sisipuk of Whitecliff) owned by John and Dorothy Wimmeberger). Winners bitch and Best of Winners was Silver Crest's Sikandi (White Frost's Tybo ex Ch. White Beauty of Lucky Dee), owned and bred by Helene and Layard Spathold. Reserve was Sergei's Tanya of Notoc. Best of Breed and 4th in the Working Group was Mr. and Mrs. Dawes' Ch. Bunky Junior of Lucky Dee (Ch. Bunky of Lucky Dee ex Yasmin of Top Acres).

A belated report has come to us of the results of the judging by Mr. Frank Porter Miller at the Riverside Kennel Show. John Butler's Chekuv was Winners dog and Best of opposite sex, with Ted Winecoff's White Way's Tilka going Reserve. Best of Breed, B. W. was the Bristol's Startinda's Cheena. R.W.B. was the Wayne Denzler's Empress Tanya.

On December 11 at the Imperial Valley K. C. show, the wins were almost identical as Riverside, except that the Butler's Chekuy went from Winners dog to Best of Breed. R. W. Dog was Mr. and Mrs. James Mitchell's Startinda's Tadbey. Winners bitch and B.O. went to Bristol's Startinda's Cheena, with Reserve going to Startindas Chrinda. Mr. Vincent Perry substituted for Judge Derek Rayne.

Among Our Folks

A most welcome letter has come from F. T. Freeman of Ontario, Canada, who wrote: "For the past 5 years I have owned a Sam, and for the last three, have been seriously interested in the breed. At that time I made up my mind that some day I would start a breeding kennel based on selectiveness and not quantity. Your column in WKW has been such a help that I wanted you to be among the first to know of what is probably Canada's newest Samoyed kennels, and what I hope will in the future, be one of its best.

Last May I imported from Mr. Kenneth Shelly (Saginaw, Mich.), a very fine bitch, American Champion Tess of Altai, who now has 7 of the required 10 points for her Canadian championship. Then just yesterday (January 15), I received from Miss Keyte-Perry of England, a really terrific 6 months old male pup called Snoglo of the Arctic. He is a gorgeous thing, huge bone, beautiful body, and head and extremely well balanced and quoting Miss Perry's exact words; "he is the BEST male pup I have seen since the war."

This will be my kennel stud, which incidentally is registered as Snoglo—as he grows older he will be available for stud, but definitely restricted to bitches of top quality. He is sired by Ch. Snowland Rooski, out of Arctic of the Arctic."

Many thanks for your letter Mr. Freeman—congratulations and best wishes for your success with your new Samoyed kennel.

At Ell-Tee Kennels in Indianapolis, Tom and Lucy Schneider are going ahead with their plans for breeding better and better puppies. "The show record for 1955 shows for Ell-Tee speaks for itself — 16 Bests of Breed wins, and 17 bests of opposite sex — five different Sams taking the BOB wins — seven different ones getting the BOS wins.

MRS. A. E. MASON and MRS. ALJEAN LARSON

Rt. 7, Box 3483 Sacramento, Calif.

We have been told that Mrs. Morony of Texas, a member of the Mid West Div. of the S. C. of A., is planning on buying one of California's fine studs, who will take with him to his new owners, 10 hard-earned championship points. Mrs. Morony and her family hope to continue his show career, and thus complete his championship during the next few months. Her original stock came from Altai Kennels. This dog was Border King of Altai (Zanrik of Altai ex Zoreena of Altai), and Snow Star of Altai (Ch. Zantok of Breezewood ex Ch. Snow Dawn).

Miss Ruth Kilbourn of Chicago, owner of Ch. Deyomas of Ibur, is still marvelling at that lovely showing of Sams at the National Specialty which she visited at Los Angeles in November. She says: "So many Sams together all at once is truly a sight to behold". Her big regret is that there wasn't enough time to visit all the folks she would have liked to meet. Everyone was so friendly and offered such wonderful hospitality.

Well, we here in Northern California hope that Ruth will plan to visit us here in the Bay Region some day.

Mrs. Estalene Beckman's splendid Bulletin carries an interesting report on the Specialty written by Miss Kilbourn.

Mrs. Annie Smith of Toronto, Canada, has recently purchased a very beautiful female Sammy pup — an 8 months old "lady" from the Ulfengs Nordly Kennels. It is planned that she will be shown at the Sportsman's Show in March. This pup comes from a long line of champions for three generations back. Together with her other Sam called Michael, a Laika Kennels product, Mrs. Smith feels she will have a fine pair that should go far.

We are taking the liberty of taking a most worth while paragraph from the Mid West Bulletin contained in the Mid West President's message to members of her group—and we quote: "All of us who attended the wonderful annual meeting and delightful buffet supper on October 16 at Red Oak Ridge, Col. and Mrs. Wentworth's lovely home overlooking the sand dunes of Lake Michigan, came away with a feeling of inspiration and zeal to further the best interests of our beloved Samoyeds. We are proud of our Mid West members who maintain the highest standards for the Samoyed. We are proud of the fine records of our Samoyeds from Coast to Coast. Let us make it our responsibility to help the novice whenever possible—whether it is in the care of his Samoyed—the training, the grooming—in becoming show

wise. It is the responsibility of the breeder who sells a puppy to direct the new owner in the proper procedures. Let us not lose sight of the novice in our "Forward Look", for he is the foundation of our future SC of A (Samoyed Club of America). There are promising young Sams that will be making their debuts in 1956." by Ruth Bates Young, Pres. Mid West Division, S. C. of A.

California's Loss—Maryland's Gain

It is with a feeling of deep loss to our Bay Region Sam fancy, that we report that due to a transfer of jobs—Mr. and Mrs. Ben Creitz of San Leandro will be leaving us to take up residence in Baltimore, Maryland. Of course their splendid son of Ch. Rainier, Kam Sibe of Encino (bred by "Billy" Tucker of Encino Kennels in No. Hollywood), will go along with his folks. "Sibe" is out of Kobe Kof-Ka of Encino, and through Rainier, a grandson of the veteran Sam Ch. Starchak, C.D. ex Snowy Dawn. On his mother's side are Ch. Raff of Kobe ex Suretta of Kobe.

Happy travelling folks—and do write us from Baltimore.

More Re Big Bear Races

Folks, here's that last minute report that has come from Mrs. A. E. Mason of White Way Kennels in Sacramento. She wrote: "Since we do not have all the records of the events at

Big Bear I will only mention that Lloyd Van Sickle, who has trained our dogs for a period of years, and I drove down to be the guests of Mr. and Mrs. Burr at their summer home.

Lloyd's wife, Alta, who is also a good dog musher, could not leave as the children were in school. The Burrs have a delightful place facing the lake and have ample yards for their dogs to romp in. It was one of the most enjoyable outings I have had for some time. Saturday

night before the races the Wards, Wheelocks, Billy Tucker and later the Adams arrived, so there was a lively group and plenty of Sammy conversation.

Lloyd did not know about the races until a few days before when he came down to help me fix up some kennels, therefore Jacko and Rex were not conditioned for a long race—but Lloyd became enthused about entering Rex in the pulling event — as I did too. We took the dogs thinking we might help fill in some team for certain events.

Naturally we were happy that Rex won the pulling match — but Lloyd felt that some of the other Sams could have pulled more if the sled had had steel runners instead of aluminum which became a handicap when they stuck in the snow. We were also happy that Rex and is three team mates, Blizzard, Blazer and Jacko, won the sprint race of 350 yards in 30 seconds.

Lloyd considers Blitz (Blizzard) is a second Rex — perhaps will be even better. (Blitz and Blazer are two of the sons of Rex bred and owned by the Burrs. Another proof that show dogs can be work dogs as well.

Lloyd and I both enjoyed the events and do wish the Southern California members much success for bigger and better races. With patience and endurance Big Bear can be a noted place for racing and other events. It is a good place for young future dog mushers to practice for future winners — and should be encouraged for the sport as well as to win.

"The Wards deserve much credit for promoting the interest they did after having entered the Sierra Dog Derby at Truckee in 1949 and then continued to have fun using their Champion Starchak for lead dog in exhibition etc.

Truckee had for many years been the favorite training spot for the Mason dogs with Lloyd Van Sickle handling. In competing at Big Bear Lloyd wanted to check on the possibility of stimulating interest in an Olympic Dog Derby in 1960 (with Alaskan, American and Canadian teams taking part—representing a North American entry.

He also received pledges of two teams to compete at Donner Summit in March. Now is the time for those interested in Dog Derby races to begin promoting, training and condi-

tioning their dogs for an All-American Derby at the Olympics.

We shall give you more news from time to time, as plans develop — and we can all be assured that Mrs. Mason is still a sled dog enthusiast even though her efforts must be limited.

In the following paragraphs, we continue the story of our Sams in the year 1933.

DOGS OF THE AGES

CHAPTER XIV—1933 (Cont'd)

Zahrina of Norka was the Scottish born dam of Kara Sea, and came here, not as a show dog, but in the hope that a suitable breeding would produce another dog of Kara Sea quality. She was dam in England of the Am. Ch. Snow Frost of the Arctic, of Susie, Kara Sea and Tchita—her best pup here was probably Ch. Norka's Dagmar. Rather long in body, she was not show type, but will live forever as dam of Kara Sea. Born in 1922 she finished her championship in her eleventh year at no less a show than Madison under Mr. Hopton, in a 46 dog show entry of 50—4 absentees), and followed this with a similar win at the 1954 Madison of 49 dogs under Mrs. Romer.

Norka's Moguiski is too well known to require much comment. Son of Tiger Boy and Norka's Padruschka, he was 1933's outstanding newcomer—Best of Breed at Westport, winners dog at Westminster and Danbury, and third in the Westport working group under Mr. Delmont. On the breakup of the Norka Kennels in April 1937 Moguiski went to Mr. and Mrs. Arthur V. W. Foster of Gloversville, to be a most loved companion and pet, but came back in the show ring in 1935 to win best of breed at Westminster under Mr. Smirnow, and again in 1938 to attain Best of Breed at Morris and Essex under Monsignor Keegan, in that show of our breed which showed an entry of 52 dogs. The name "Moguiski" means powerful, and was well chosen.

Mrs. Rothmund's Siberian Icy Queen Mona, daughter of Icy King, bred by Miss Humphris, a 1938 champion to be, won a fourth in the Working group at Lenox under Mr. Addyman, a somewhat unusual win for a female until ICE CRYSTAL OF THE ARCTIC a year or so later made it fashionable.

1933 shows Norka Kennels were the big winners, with Tiger Boy winning his third

best of breed at Westminster, at Danbury and at Springfield, with Toby of Yurak II taking Morris and Essex, with Moguiski and Zahrina, Norka's Dutschka and Norka's Lev and the Norka-bred Duke of Norka in all the big shows, and with Lubiniev starting to come into her own at the later shows of the year—it was a big year in every way for Norka.

The sole remaining uncovered (in the above) champion, was Norka's Dutschka, whose winning of a title must have brought especial joy to the heart of Mr. Reid, inasmuch as Dutschka was the daughter of her special pet, the perennial winner Toby of Yurak II, ex the imported Ch. Maroosa of Ferningham. Dutschka was a sound typed bitch, and won her entire championship in 1933 as follows: Westminster under Mr. Delmont, 5 points; Greenwich under Mr. Rost, 5 points, Cornwall under Mr. Glebe, 1 point, and Danbury under Mr. Smirnow 5 points.

There were ten shows which had 5 points in both sexes—2 more in which the male by going best of winners also gained 5 points, and one in which the female annexed 5 points in this manner. There were three 4 point shows for males, and seven 3 point shows. The winning dogs in these shows? The Norka dogs already mentioned, Mr. Motley's Bokar of French ancestry in two, to gain 8 points; Mrs. Williams' Zulieka of Stolzenfels, shown all over New England; Mrs. Horace Mann's White Sprite of the Arctic, of the wonderful snow feet, won ten points at two large shows; and Mrs. Mann's Gorka's Suinu was Rumson winners dog; among other winners were Mrs. Rothmund's Siberian Icy Queen Mona, Foley's Holt's Tinka, Mrs. Graves Balkash, Mr. Wm. Smith's young Hoar Frost and of course on the West Coast Mrs. McDowell's Snow Frost of the Arctic and her Patricia Obi. Mrs. Greiss showed her imported Adastra Morgann and Frodi in several shows. Mr. Hanson his Siberian Valeska's Bru, Miss Humphris' Halloran's Jeska of Hoboken, and the Eddys with Zorya, Morozko and Nadelka—those were in the main, the showgoers.

A surprise dog came out during the year. Discovered by Mrs. Paul Magly, named Nova Zembla — the 8 year old son of Donerna's Barin and Princess Veta, bred by Mrs. Coughlin — Nova Zembla, whose life had been spent in city apartments, was after much persuasion shown by his owner Mrs. Frances Blum, and amazed us all by his excellent feathering on legs, and his great coat—though unfortunately, a soft coat. But even with this handicap, Nova Zembla, shown first at Mineola under Miss Stillman, he won reserve to Duke of Norka, and followed this with reserve to Gorka's Suinu at Rumson under Mr. Hopton, which is by no means a bad record for a soft coated dog who never saw a show ring till over 8 years old. At Mineola Monsignor Keegan, now coming strongly into our shows brought in three excellent puppy bitches—Kona, Chico and Sonia, 3 little maids from school, as alike as three peas, posing a problem for the judge Miss Stillman, who, after much going over of the three, resolved it by giving the blue to Chico. But Kona, paraded in the Morris and Essex ring by Father Hayes, was Best puppy there—and later reserve at Hohokus, to her dam Lubiniev, and later defeated her dam at Mt. Kisco.

Pictorially the breed did well in 1933 — it

was more in the public eye in the press than ever before. The Bulletin was honored in being permitted to publish the most distinctive piece of Samoyed literature in many years, Miss Thomson-Glover's Reminiscences which stand out as a record of facts on the breed to be used for many years by searchers of data on the breed.

(It was in August 1933 that your present WKW Sammy News editor began writing about our breed with the hope of bringing it, the Samoyed, more in the public eye as a breed of the highest merit—and to this day, we have never changed our regard for this dog of ancient lineage—and know it as the most beautiful and intelligent of breeds. Our first publicity on the breed as a special feature article written for a So. California magazine — for the 1930 Christmas issue of the magazine. But to return to the year 1933.) The Bulletin also carried news that told of Mr. and Mrs. Warren Ives, near neighbors of Mrs. Helen Harris (when she lived on Drexel Blvd.) who with their Gorka II would so often walk by the Harris' home. just to watch Saska and Sabarka playing on the lawn. A pup by Snow Frost and Patricia, named Stara Lizanska, went to Ethel Davies sister of Marian Davies of the movies—it was hoped that she would be shown but she never was.

Mr. Delmont had an entry of 21 to judge at Westminster, with 2 absentees—and at Morris and Essex, Mr. Hopton had an entry of 50—4 absentees—25 entries from Norka Kennels alone. The silver spoons sent by Miss Thomson-Glover, were won by White Sprite of the Arctic at Mineola, and the other by Norka's Dutschka at Greenwich. These spoons bore the head of her Ch. Eastre in bas relief.

Among some items appearing in the Bulletin in 1933, was a quote from a letter coming from Mrs. Kilburn Scott, who wrote in part: "The term exceptional bone should never be mentioned in connection with a Samoyed. If a dog possesses an unusual bone, he is right off type. A Samoyed is a graceful medium sized dog and the word massive does not belong to him. Remember his work, how active and nimble he needs to be to round up reindeer in his own country. Nor does the word "cobby" belong to him—for we have to be careful not to get too long a head and body. There is also as much danger in getting away from characteristic grace of the true Samoyed by becoming too cobby and chowlike in the hindquarters. Either of these faults soon become intensified if dwelt upon too much, and one is inclined to lost sight of the original type."

There was a quotation from a letter from Miss Gerrard on Coat, as follows—"Coat in July is of minor importance—it is quality that counts—head, formation, stance, movement and character—but when I find a moulting dog entirely without undercoat, I take it for granted that he fails in undercoat, even when he is completely clothed."

Registered in 1933 with the AKC, were Sharik II, of the same litter as Kona, Chico and Sonia, who went to Bishop E. L. Gibbons of the Albany Diocese; Laika's Range Hill Happy and Laika's

Dinsche, ancestors of not a few California dogs of today; Duke of Darya, a son of Ch. Duke of Norka; the first Nikita, owned by Mr. and Mrs. McWilliams, and bred by Mrs. Eddy. The sires whose names appeared most frequently in the registrations, and the number of their progeny registered were; Billy Boy—8; Nico of Creve and Snow Frost of the Arctic, 7 each; Icy King 6; Ivanski and Gorka, 5 each; Norka's Lev and Duke of Norka, 4 each; Oleg 3 and Tiger Boy 2.

Next month more of our breed's historical background—more show news, pictures etc. See you at Oakland?—V. Lawrence.

ST. BERNARDS

Umpqua Kennel Club, February 12, 1956
Judge E. E. Ferguson

There were 15 entries, 13 of which were present. From the Open class Sanctuary Woods Unique, (5 points) was Best of Breed and 4th in the Group. His litter brother, Sanctuary Woods Uncle Tom, was Reserve. These two fellows were 16 months old.

Best Opposite Sex went to their Grandmother Ch. Sanctuary Woods Filagree, who will be remembered as Best Bitch at the Pacific Coast Specialty in Oakland, California, 1955. Filagree went from Open to Best Opposite over most of the West finest champions and finished her title on that day.

Winner's bitch went to a daughter of Ch. S. W. Filagree and Ch. Banz v Bachingerhof (S. W. Kennels)—Sanctuary Woods Oregon Pride—for 3 points. Pride went further, by winning the trophy for the highest scoring St. Bernard in Obedience. It is interesting to note that Pride is the mother of both Unique and Uncle Tom and Ch. Banz is the double grandsire. Reserve Bitch went to Sanctuary Woods Sincerity, also a daughter of Ch. Banz—who is a litter brother to the 1954 Swiss Sieger Barry v Bachingerhof. Both sons of the 1953 Swiss Sieger Asco v Pflzerhutte and Kitty v Immenberg.

BOXERS

By Aase Cahling

San Francisco opened the 1956 Show season with Mr. Henry Stoeker judging a major entry in males. However, the quality in bitches was much higher, especially in American-bred and Open classes.

W.D. and B.O.W. was Barmere's Leprechaun, a nine month old son of Bonanza and Barmere's Volcano. He is a flashy fawn pup with a beautiful head. He is for sale along with all his kennel mates at Barmere. I understand that Mrs. Breed one of America's foremost Boxer breeders and authorities is selling out in favor of another breed (Brussels Griffons).

R. D. was the English's Bonanza son, Skyline's Golden Venture. This young male is a point winner out of the English's Barmere's Watch Yourself.

W. B. was Aase M. and Ingrid J. Cahling's Cloudland Hannah by Dickory Duke ex Ch. Lindenfeld's Fancy Fair. We were very proud of Hannah as this was her first show out of puppy class.

R. B. was Barmere's Dorinda by Hickory Dick ex Barbare's Volcano.

B. B. Barmere's Bonanza, BOS was Hecox' Ch. Hazlyn's Zippity Do Dah by Mazelaine's Galway ex Vel Hi's Kapella. Zippy looked especially nice at San Francisco and I think has improved tremendously since her puppies were born.

Helen Cloud judged a small but nice entry at San Rafael February 5. Talked to Mrs. Cloud after the show and she said she was very impressed by the excellent males. Every one of her open males was a point winner and any one of them could fairly have won. Mrs. Cloud also had high praise for Jack Garner's stylish Dickory Dude pup, Garner's Flashy Shiek.

W. D. and B. B. was Marguerite's Rusty Dude, a Dickory Dude son that went up under Dr. Dan Gordon at the recent southern California Boxer Specialty.

R. D. was Garner's Flashy Shiek.

W. B. and B.O.S. was the Hecox's young fawn, Marwal's Merry Miss Zippy, a litter sister to the winner.

The North Bay Boxer Club is now making plans for a sanction match tentatively planned for the last part of April. El Rancho Drive-In is the portable site for the match which will offer a trophy list covering all classes. Persons interested in this match may contact me for further information.

—For shame that NOT ONE Boxerite supports us with an ad. This office, being in a metropolitan area, gets loads of inquiries for puppies and stud dogs. Someone or—ones are missing a bet not having their name (s) to get said inquiries directed to them . . . H2.

"Are you saving any money since you started your budget system?"

"Sure. By the time we have it balanced up every night it's too late to go anywhere."
