

Fondest Greetings ...

... For Your Birthday.

*All along life's pleasant way
May you find joy in every day,
But may your Birthdays be the best
Of all the very happiest.*

A vintage birthday card with a white, ornate, repeating geometric border. The central image shows a white Samoyed dog standing on a grassy field, pulling a wooden sled. On the sled sits a woven basket containing four small white puppies. The background is a soft-focus landscape with trees and a house. The text "A Happy Birthday" is written in a white, cursive font in the upper left corner. At the bottom, a white scroll contains a birthday message in a cursive font.

A Happy Birthday

*A very short and simple lay,
With wishes for its soft refrain,
"May happiness be yours to-day,
Now your Birthday dawns again."*

*We are looking.....
.....out for You.*

To Greet your Birthday.

The best of glad Birthdays,
..... I wish for you, dear,
And may good luck go with you,
..... All through your new year.
