## DYSPLASIA CONTROL REGISTRY

CHAMPION SILVERACRE JINNI O'FROSTFIRE
OFA-SA 1012 excellent

Jinni was POL out of the only Coa/Chief breeding. She was sold to Joan Sheets at 8 weeks of age and was returned to me when Joan went "out of dogs" She finished her champion ship in 11 shows. She was bred to Kip and produced 3 puppies None of which was ever shown. Then she was bred to her sire Chief and produced 3, of which 2 are champions (Mark & Melody) all three cleared OFA as normal. Next she was bred to Chiefie and produced 4 puppies, two of which are champions (Holly & Shana) The other two were never shown. She was bred back to Chiefie again and produced 3 puppies, only one was shown and she was major pointed at her first show but spayd shortly after that as she was bred to a mixed bred dog. Jinni was then bred to her son "Mark" and produced 3 puppies one is a champion (Marquise) and one is spayd and one is dead of a broken neck (Tinker) Her last litter was again by Chiefie and this produced only one puppy (Puddles) She was spayd in 1979 after whelping Puddles. She produced a total of 17 puppies for me. She was bred once while owned by Joan sheets and leased to Joan Lueck for a litter to Diko and produced 3 puppies. Two were major pointed and one only needed a major to finish but the owners moved to Arizona and lost interest

Jinni was put down on May 18, 1981 due to her bad knees.
