Bear came to us as a champion from Gloria Walker in Washington.

He produced a total of 65 puppies for us and 11 of those became American champions and 3 were Canadian champions. He produced very good hips and no eye problems. He was a 22 inch boy and weighed about 60 lbs. He had the very long but correct coat that came from the Northwest, all white with no biscuit. His eyes were very dark brown but rather round as goes with the extreme Bear type dogs. He was a true Glamour Dog. We specialed him a total of 8 times and he was BOB 6 of those times and was placed in Group 4 times. ¶¶
