President's Report

To avoid duplication of statement this report will omit all details of facts and of figures which properly appear elsewhere, leaving to other officers and committee chairmen the compilation of club data and the segregated summarizing of club activities. It will be impressionistic rather than realistic. In the final analysis the big things of life are not facts but emotions; not action, but the motive for action and the mental attitude toward life.

A new home has been built and furnished at a tremendous expense of money, time, and energy. What does it mean to us? What is its human, social value? Is its worth commensurate with its cost which has been great? The auditor's books show that \$898,486.67 has been spent for this property. This includes architects' fees; the building itself and the site; ~~decorating and equipment but not furnishing~~; assessments for widening and repairing Wilshire and for the ornamental street lights; paving the Lucerne Street parkway for motors and all landscaping; also the taxes and interest on the mortgage loan to July 1, 1928.

Many have asked if a woman's club is justified in making such an investment. The reply cannot be hard and fast "yes" or "no," for it is a question of proportion, or of balance; of the need as compared with the difficulty of satisfying it; and of the alternative atrophy if the need is disregarded. Always insistent need determines the course of action. Ebell's urgent demand for room for expansion would not be denied. Therefore this club is justified in building. Many hardships have been suffered, many petty annoyances endured, but their memory has been displaced by the exhilaration which every builder feels when the home he has designed is sufficiently complete for occupancy and fairly ready for the ceremonies of life.

Just one short year ago the essential units of the new building were still incomplete and the decorating, furnishing, and landscaping were not yet begun, but the work was pushed feverishly to its happy conclusion and we moved in on time. Misses Yoch and Council, landscapists; Julian E. Garnsey, decorator; and the firm of George W. Reynolds, furnishings directors, worked night and day that Ebell might not be disappointed. They and the architects, Hunt and Burns, the builders, Scofield and Twaits, our attorneys and bankers,

[The EBELL of Los Angeles]

Lewis W. Andrews, Charles H. Toll, and John M. Rugg, were special guests at the dedication ceremony.

The fragrance of that glorious day will linger in Ebell's consciousness for many years. The platform was strikingly beautiful with the new stage setting, the flowers, and foliage, but the eyes of all were drawn to the shining faces of the ten charter members and eight past presidents who graciously supported the Building Board in the day's program. Their presence added much to the impressiveness of the occasion.

The fitting and perfect climax was the announcement of a superlatively generous gift to scholarships. This magnificent contribution of forty thousand dollars is in the form of a trust which is to be known as the Mr. and Mrs. C. N. Flint Scholarship Endowment Fund, in honor of the donors, whose interest in the education of struggling youth is profound. The income from this fund will be used to equip promising young men and women for life and for leadership.

That Ebell should be chosen to administer this trust is proof of a confidence in the ability and integrity of the club's governing body which is immensely gratifying to the present directors. It seems to put the seal of approval upon their business judgment.

With the new home finished, furnished, and occupied, the payment of bills demanded attention. It has been stated many times that the building, complete except for furnishings, was financed by means of a mortgage loan, \$530,000.00 of which is still unpaid. The sale of the Figueroa Street property will reduce this loan so materially as to eliminate all anxiety on that score, but meanwhile interest and assessments and taxes must continue to be paid and a definite sum provided for furnishings.

The task of raising the required fund was intrusted to the Ways and Means Committee, Mrs. Grantland S. Long, chairman, Mrs. John Maclean Rugg, assistant chairman. The result is tabulated in Mrs. Long's report but that report says nothing of the unceasing effort, the contagious enthusiasm, and organized energy of the dynamic chairman, her assistant chairman, the many special chairmen, and entire committee. When the twenty dollars a member assessment, voted by the Club March 7, 1927, shall have been paid in full, as is confidently expected, the necessary sum for furnishings will have been realized. July 1, 1927, \$10,777.50 had been paid. June 30,

[The EBELL of Los Angeles]

1928, \$48,642.50 more had been received making a total of \$59,420.00 of the estimated \$66,000.00. The many brilliant social affairs sponsored by this committee brought to Ebell much more than money. The by-products of happiness, friendliness, and understanding were of unexpected value. Co-operation raised the morale. Other committees and many departments added their quota to this fund. All are listed in the Gift Book. But brief mention must be made of the marvelously beautiful *Musical Tea* which set the pace in net receipts; of the brilliant *International Ball*; of the *Gay Nineties Party* given by the charter members, the proceeds from which so nearly paid for the handsome *Portals*; of the delightfully unique *Christmas Festival* sponsored by the Former Officers Round Table, a full report of which is given by the Secretary, Miss Charlotte M. Rockwell; and of the scintillant *Sunset Fiesta* with its procession of radiantly beautiful young women in Spanish costume. Such committees as the one calling itself *Appreciation* and another known as the *Piano Committee* merit decided praise. Visible and beautiful and altogether useful are the results of their praiseworthy efforts.

Every loyal Ebell heart throbs with a fine frenzy of prideful appreciation whenever mention is made of the names of the generous donors who so quickly and gladly came to the assistance of their club. Mrs. Walter Harrison Fisher's royal gift completely furnished the luxurious second floor dining room in honor of one she loved and trusted. Appreciation of this gift is sincere. Women have gone far when they have come to realize that to give freely is to live fully.

The raising of money has not been allowed to interfere seriously with the usual club activities or business management. Rentals have been sought and secured by the indefatigable chairman. First class tenants are rare but on the whole the seven or eight months since the new building has been equipped for leasing have brought a fair return.

From 1719 South Figueroa Street\$ 2,203.00

From 4400 Wilshire Boulevard 15,093.50

Of this last amount \$6,750.00 came from the *Desert Song* company for four weeks' actual use of the theater and seven weeks' control without occupancy. X

Abraham Lincoln and *Cobwebs* were financial disappointments but Ebell's loss was a paper loss represented by the rent we might have received but did not.

[The EBELL of Los Angeles]

Had it not been for the disagreement about zoning, the returns would have been much more satisfactory.

There are many committees in Ebell serving faithfully and silently, often without public recognition. The work done is sometimes technical and exacting. The treasurer and auditor do such work. The first vice-president's work as bulletin editor and compiler of the Year Book is of this class. Last year instead of the usual bulletin a magazine was published at no expense to the club but at great cost of time and strength to the chairman and editor, Mrs. Ilot Johnson. That the venture was so decided a success is due to the editor, in part, and to the publisher and manager, Mr. Hal Horne, whose interest has been keen and continuous.

The third vice president, Mrs. James A. Rogers, has no report in this Year Book but it is due to the well organized and untiring efforts of her House and Equipment committees that the new home was ready for inspection, that the one and one-third acres of floor space in the sixty-eight rooms and the hundreds of windows were spotless, and the kitchen and dining room equipped to serve the multitude.

Through the difficult and exasperating time of moving and of readjustment, the office staff, under Miss Bess Osborn's guidance, ungrudgingly put in many hours of over time, Ebell's interests their first consideration. At the end of the year Miss Osborn's resignation was sorrowfully accepted. She had become almost an essential part of Ebell and will be sadly missed by her many friends who, nevertheless, rejoice in her good fortune. The new committees, Checking, First Aid, Guides, Hostesses, and Information, have cheerfully responded to all demands for extra hours of service. Additional Credentials were appointed to care for the outer doors, and a new committee to take charge of selling tickets for auditorium guests and for evening entertainments in the theater. These were arduous duties but were smilingly undertaken.

The usual reports of programs, luncheons, teas, departments, social welfare, and other club activities show decided interest and progress. Certain days stand out with great distinctness: for instance the charter members day and the luncheon in honor of Alice Ames Winter, the Musicales Tea and the gorgeous Sunset Fiesta. *Installation day was poignantly impressive. The serious acceptance of responsibility by the officers-elect, and the procession of beautiful young women

[The EBELL of Los Angeles]

with baskets of lovely flowers brought tears of joy to the eyes of many in the audience. Ebell is marvelously kind, tenderly appreciative, and magnificently loyal to her chosen leaders. The past four years have been filled with evidences of the fineness of these distinctive Ebell qualities. Happy is the woman who has been permitted to serve such a club: to come near in thought to young and old alike.

Ebell is most fortunate in attracting alert young women to the Junior Department. Through the years they are giving evidence of an ever increasing interest in the serious purposes of the Club. Their attitude toward child welfare is sincere and practical, the report of their many activities convincing. Ebell's Social Welfare work is her crowning glory but as full reports are given by the chairmen, attention is called to but one point, which is that our club was placed on the honor roll of the General Federation largely because of the work done for others. The Benefits Committee was so successful in its efforts to finance Rest Cottage and Practical Relief that the quota was over-raised in two parties. The excess amount was donated to the Furnishings Fund.

The seventeen women who have sat at the same table for more years than Board members are usually permitted to enjoy have come to understand how much it may mean to work with kindred spirits for a desired end: to deal impersonally with questions and with people; to be guided in decisions first by the thought, "Is it right?", and second by the question, "Is it wise?", striving always to be just before being too generous.

It has been a rare privilege to belong to the Building Board. The lengthened term of office, due to the stress of building, insistent need again the determining factor, unified and stabilized opinions and methods of procedure and strengthened the ties of friendships already formed.

It is with the deepest sorrow that the first break in this close companionship is recorded. June 29, 1928, our dearly loved second vice-president and program chairman, Miss Helen Louise Stubbs was summoned by the death angel quite unexpectedly and suddenly.

We who knew her so intimately cannot yet realize that we shall see her no more at Ebell. Her radiant personality won all hearts. Her devotion to her parents, her friends, and her duties, from the first had been marked. Her influence

* Monday, June 18, 1928

will not cease to be felt. In our memories she lives and will not be forgotten. Nor will we forget dear Mrs. Edward Crumley or those other Ebell friends who this year have been permitted to enter upon that higher life to which we all look forward so confidently and eagerly.

Meanwhile we carry on as best we may. From a letter written by Mrs. W. S. Bartlett this paragraph is quoted: "In the garden of Ebell is a palm tree which should be taken as a symbol of our club. It began its career in the patio of the old club house on Figueroa Street. It has grown as we grew and now it has withstood the dangers of transplanting and waves its green plumes skyward seeming to challenge every club woman to carry on.

"I am the past and the future of Ebell,' it seems to say. 'I have no regrets, only hopes. En avant'."

These last words find an echo in my own heart. After four years service as presiding officer of the finest club in the world, I have hope, only; no fear that Ebell will do aught else but grow.

With gratitude for the opportunity to be of use, this report is

Respectfully submitted by,

MRS. WILLIAM READ,

President 1924-1928.

Report of the Recording Secretary

To the Members of The Ebell of Los Angeles:

Your Board of Directors has held sixty-five regular, adjourned and called meetings since July 1, 1927, at every one of which the President, Mrs. Read, has presided. Out of a possible attendance of six hundred sixteen, the number absent was only fifty-three.

Before the Club opened in October, the Board of Directors had been occupied with the various contracts for furnishings and equipment of the building, as well as with the final inspection and approval of the work of the architects and builders. It was a precious trust they had in charge, and each member gave her very best effort to the end that our new home might be as nearly perfect as was humanly possible.

Taxes and assessments were paid and funds for Rest Cottage and Scholarships were invested after careful investigation of securities. A schedule of rentals was made out as a working basis for possible income from the new building. The Figueroa property was leased. The Planning Commission and the City Council were interviewed in order to secure permission to lease our new theatre, and many hours were spent by the Directors in securing confirmation of the ordinance to lease, when a petition was sent to the Council to have it revoked.

In all our business affairs the Board has been guided by the counsel of our bankers and lawyers, Mr. Charles Toll and Mr. Lewis Andrews, who have generously given of their time and knowledge to Ebell's affairs, with a resulting feeling of security that the Board has appreciated to the fullest degree.

A great deal of time of the Directors has been devoted to interviews with people who wished to establish themselves in our new theatre. There seems to be no end to the number who have plans for little theatre movements, theatre guilds, community theatres, and similar organizations, and with the hope that some one with the capital to back such an undertaking would be discovered, the Board of Directors has interviewed all who have asked a hearing. So far no one has met the financial requirements that the Directors feel Ebell must demand.

After the club year was well under way, there was a complete inventory made of all furnishings in the house and

[The EBELL of Los Angeles]

theatre, and a chairman of adjustments, Mrs. Irene DeGaller, was appointed to carry to conclusion the numberless additions of shelves, screens, cupboards, doors, hooks, lights, and so forth, all of which were made by our own carpenter at a decided saving to the Club.

To each of the six Directors a special task was assigned. In addition to the duties of auditor, Mrs. Leslie R. Hewitt has had in charge the matter of insurance on the building and furnishings, and has spent many hours in going into the perplexing questions that have arisen in this connection.

Mrs. S. M. Browne has been chairman of rentals and has spent more time outside of board meetings than at them in interviewing possible renters and assigning dates for them. Thousands of dollars have been added to our treasury from this source. She has also had oversight of the Figueroa property, and a book might be written on that subject alone.

Mrs. Charles E. Crary has been chairman of Social Welfare. To her, appeals for help from the outside were referred, as well as the general oversight of our own social welfare work. It was through Mrs. Crary that Ebell's generous donation to the flood sufferers was collected and distributed.

Mrs. Grantland S. Long has been chairman of Ways and Means, and has devoted every possible moment to the tremendous task of raising the money for the furnishing of the new building. Her complete success stands out as one of the big accomplishments of Ebell, in which every member has had her part.

Miss Frederica de Laguna, chairman of Resolutions, and Mrs. A. Bennett Cooke, Federation Secretary and chairman of Civic Music, have, in addition, represented our President many times at civic gatherings and have stood ready at all times to do the extra duties that have continually arisen.

The financing of the building and furnishings, as well as the problem of overhead expense, has been entirely in the hands of the Board of Directors. Theirs has been the responsibility to see that every contract was met on time, that no more money was borrowed at any time than was necessary to meet our obligations, thereby saving interest, and in the midst of all this unaccustomed detail, with clear head and steady nerve, Mrs. Read has been a leader whose judgment has led us unfalteringly in the right path.

[The EBELL of Los Angeles]

It is a million dollar business, this Ebell of Los Angeles, and your Directors, under the leadership of your President, have given their best efforts to run it in a businesslike way, with the result that when the auditors, Thomson, Cooper & Thomson, examined the accounts of the Club, checked the Secretary's minutes and the Financial Secretary's statements, they were found to agree to a cent, and Mr. Thomson paid a high compliment to the efficiency and businesslike methods of your officers and directors.

The Executive Committee has been equally devoted to duty. There have been fifty-five meetings during the year, with a possible attendance of nine hundred thirty-five, and only fifty-one absent. Mmes. Read, Long, Faroot and Rea have attended every meeting.

The most important innovation of the year, which concerned especially Mrs. Johnson, Mrs. Stookey and Mrs. Ford, was the publication of an Ebell Magazine. It is no small matter to collect, edit, read proof and publish on time a magazine such as ours, and we have reason to be proud of the result.

The Second Vice-President, Miss Helen Louise Stubbs, furnished thirty-seven Monday programs, selected with discriminating judgment and including such outstanding names as Will Durant, John Van Druten, Edwin Ware Hullinger, Branson de Cou, Hart House Quartette and Tandler String Ensemble. There were presented twenty-one lectures, seven musicales, four dramatic recitals, and two groups of two-act plays, one complete Shakespearean play and one three-act comedy by our Drama Workshop. Two Reciprocity Programs were given at the Friday Morning Club and the Beverly Hills Woman's Club, our representatives being Miss de Laguna and Mrs. Cooke.

Do you think it was magic that this big house was opened and running smoothly on the first Monday in October? It was the magic of hard work, hours and hours of it, over which our Third Vice-President, Mrs. James A. Rogers, had supervision, assisted by the entire Executive Committee and the entire House Committee. No one can imagine the multiplicity of detail involved. The result was an outstanding achievement.

Attracted by our beautiful home, as well as the outstanding place of Ebell in the civic growth of Los Angeles and by the announcement of an advance in the admission fee, three

[The EBELL of Los Angeles]

hundred eighty-six applications were made for regular membership and thirty-nine for junior membership. This detailed work was in charge of our Fourth Vice-President, Mrs. Charles D. Burt, who carried it through with careful attention to correct listing and tabulation of data that required many hours of work, aside from those devoted to Executive Committee meetings.

Mrs. Harry A. Ford, the General Curator, has had supervision over nineteen departments, five having been added this year. These all had problems to meet in becoming settled in their new quarters. There have been harmony and effective work in each one, under Mrs. Ford's splendid oversight.

The Corresponding Secretary, Mrs. Lyman B. Stookey, was one of the most active members of the building committee, in addition to her duties as Corresponding Secretary, which called for letters numbering seven hundred forty-one.

Rest Cottage, supervised by the Chairman, Mrs. Samuel Emerson Faroat, and Scholarships with Mrs. Alfred W. Rea, Chairman, have been administered so well that only the routine matters were brought to the Executive Committee meetings. The magnificent gift of \$40,000.00 to the scholarship fund from Mr. and Mrs. Charles N. Flint enabled the members of Ebells to increase the number and amount of scholarships possible each year.

Committee work was carried on with extra enthusiasm, for every one was agreed to make this first year in the new club house an outstanding success. Mrs. Anne Campbell Fitz Gerald, Chairman of Courtesy, Mrs. Harry Walton Adams and Mrs. Allen Wood Ellington, Chairmen of Credentials, and Mrs. Frank Brown Wheat, Chairman of Ushers, with the members of the Committees, welcomed all comers and made them feel at home.

Four new committees were formed; Information, under the chairmanship of Mrs. Grace Nicholson; Checking, under Mrs. C. H. Montgomery; Guides, under Mrs. Frank C. Keach; and First Aid, under Miss Frances R. Whitesell.

Mrs. Sherrard, Chairman of Club Survey, continued the work so well started and added to club files much valuable data about qualifications of members for various positions in club work.

The library, in charge of Miss Flora Belle Houston, was enriched by the addition of four hundred ninety-two books,

[The EBELL of Los Angeles]

four hundred sixty-six of which were gifts. The library committee arranged the books when they were moved and gave efficient service during the year.

The Benefits and Entertainments Committee, under Mrs. Roger Harrison Miller, gave two successful benefit parties, which more than raised their quota of \$2,000.00 and added \$585.94 to the furnishings fund.

Mrs. Dudley L. Frank and her publicity committee kept the newspapers and local magazines informed about Ebells social and cultural activities. The special benefits as well as regular club events received adequate space in all publications.

That Ebells was not unmindful of conditions outside of its own interests is evidenced by the resolutions passed during the year. The following is a complete list:

1. July 14, 1927: Regarding the sidewalk planting of Wilshire.
2. August 1, 1927: Regarding the disturbed conditions of El Retiro School.
3. September 1, 1927: Regarding the commercializing of the strip of land on Fifth Street opposite the Public Library.
4. October 3, 1927: Regarding the tireless services of our President, Mrs. Read, in bringing the building of the club house to a successful issue.
5. December 19, 1927: Expressing sympathy for the bereaved family of little Marian Parker.
6. January 16, 1928: Expressing faith in our Courts of Justice that they would safeguard the children from a repetition of the murder of other children at the hands of criminals.
7. January 16, 1928: Asking the motion picture producers not to show pictures dealing with incidents in the lives of criminals, because of its effect upon the morals of the young.
8. April 12, 1928: Supporting the ideals of the League for the abolishment of Pugilism.
9. April 19, 1928: Commending the Loan of the Munthe Collection of Chinese Art, and entering the plea that the Collection be secured as a permanent exhibition in our Museum of History.
10. May 14, 1928: Resolution of gratitude for the work of Miss W. Winifred Rouzee and sorrow for her sudden death.

11. June 4, 1928: Protesting against the cruelties of the rodeo practices throughout the State, and pledging ourselves to use our votes when available for the suppression of these practices.

Resolutions were passed during the year dealing with the finances and general management of the affairs of the Club.

We have had a successful year, full of the joy of achievement. We have been led by the indomitable spirit of Mrs. Read, and she has had the loyal support, the love and admiration of your officers and directors, each of whom has deemed it the greatest honor and privilege to serve The Ebells of Los Angeles.

Respectfully submitted,

MRS. PATRICK CAMPBELL,
Recording Secretary.

Report of the General Federation Secretary

Owing to the fact that Ebells withdrew from the State Federation in 1927, the Federation Secretary's report for 1928 deals entirely with General Federation work.

Because the club hitherto functioned in the General Federation through the State organization, it took some time to make its contacts as an independent club. It is now favorably known at the Washington headquarters, its annual report was received and pronounced good in a personal note by Mrs. Sherman and the June number of the Federation News had a full page article on Ebells' new club home with cuts of the house and of our President. The May number of the Ladies' Home Journal also had an article with cut of the club house. The latter article was by Alice Ames Winter, past President of the General Federation. Material and cuts for both articles were furnished by your General Federation Secretary.

An organization of the size of Ebells gives—and rightly so—more to the Federation than it receives, and we hope to be of increasing value in its great movements. We consider it a duty and a privilege to co-operate to the fullest extent in furthering its work for the betterment of women and children.

Respectfully submitted,

MRS. A. BENNETT COOKE,
General Federation Secretary.

The Former Officers' Round Table

Mrs. Summer P. Hunt, *Chairman*

Mrs. John Stearns Thayer, *Vice-Chairman*

Miss Charlotte M. Rockwell, *Secretary*

The desire to bring back into close association the former officers of Ebell and interest them anew in the work of the Club, led to the organization of the Round Table. Ninety-five members are enrolled. Through the efforts of the Round Table, the Library was furnished at a cost of \$3,543.70 and over \$700.00 given to the furnishing fund of the Fine Arts Room. It has provided hostesses who have been on duty from nine A.M. until four-thirty P.M., five days a week, keeping open house for the benefit of the members, and also giving an opportunity to visitors passing through the city, to view the entire Club House. It can be made an essential factor in the life of Ebell and to that end it will work.

Respectfully submitted,

The Officers of the Round Table.

Ways and Means Committee

In continuation of the initial report which appeared in our last Year Book, the Ways and Means Committee is happy to conclude with the following statement, which completes the duties assigned to it, in the matter of securing funds for payments due on the Furnishings of our New Club House.

With the exception of certain outstanding assessments, yet uncollected, but which, we are confident, will be met by October first, the entire sum, amounting to \$135,413.81 has been paid.

This sum does not include the value of the handsome individual gifts donated by members from their homes, nor the furniture brought from the Figueroa Street Club House.

The fine understanding of our club members and their sympathetic response and co-operation have made possible this remarkable achievement.

Since there is hardly a member of Ebell who has not had her share in raising this magnificent sum of money, it has been the effort of the chairman to keep entirely impersonal, the published report.

We are, however, preparing for our Library a beautiful GIFT BOOK which will contain a record of Gifts (objects or money) donated toward the Furnishings of the Club, not only in the campaign just closed, but also later gifts which may be contributed from time to time in the future.

Mrs. William J. Wilson is chairman of EBELL'S GIFT BOOK.

Report of the Benefits and Entertainments Committee

The Benefits and Entertainments Committee is very happy to submit the sum of \$2,585.94, which is \$585.94 more than our quota. We accomplished this by giving two parties, one January 27th, a bridge luncheon, from which we received \$1,367.80 net; the other, an evening party, which brought us \$1,058.64 net; extra receipts from the Committee's business transactions amounted to \$159.50; the \$585.94 over the quota has been turned over to the furnishing fund.

It has been a pleasure and keen satisfaction to have done this work for Ebells and I wish to thank the Committee for their splendid help, the Board for their fine co-operation and Mrs. Read for her wonderful personal interest in this department.

It is at times such as this that the real worth of one's associates is discovered.

Report of the General Curator

The nineteen departments of Ebell have had a noteworthy year. In getting established in the new club house there were many adjustments to make but no troublesome difficulties were encountered. So I can report that the curators and officers have done their tasks vigorously and capably. They have gone forward to the next thing gladly and persistently. They have not stopped to compare their successes but have gone forward as a harmonious unit happy to have the opportunity to grow and serve.

Five new departments were organized during the year:

This department was organized primarily for the study of design, which is not in its greatest sense the making of patterns, but is a study of the principles of order, harmony and beauty in things we see about us. Following the first meeting, the members painted seventy color charts. Then problems showing the simplest use of the fundamental forms were given and at following meetings these problems became more difficult and comprehensive and were worked out in the homes, entirely from notes given by the curator and illustrated by one or more finished designs. There were thirteen meetings with an average attendance of fifty-two. A large number of designs were placed on the walls of the galeria during the first week in June as part of the Members Exhibition.

Second: Lives and Times, Mrs. Dudley L. Frank, *Curator*.

Young women who formerly were Ebell Juniors and a group of other interested members organized this department in February. They held four regular meetings with an average attendance of twenty-eight.

The three-fold purpose of this new section as set forth in the petition was:

1. Self development of the members.
2. Philanthropic work.
3. A bridge for the gap between Juniors and regular members.

Third: Law, Mrs. Charles S. Crail, *Curator*.

The object of this department is to familiarize the members of Ebell with certain points of law which arise in the ordinary procedure of the average woman's life. For, knowl-

[The EBELL of Los Angeles]

edge increases understanding and understanding increases freedom and security. The women are eager for such instruction. This is shown by the fact that the attendance during the ten meetings of the department rapidly increased from fifty at the organization meeting in January to six hundred on the last day with an average attendance of one hundred eighty-eight.

Fourth: Poetry, Mrs. William E. Keepers, *Curator*.

A group of thirty women met around the luncheon table in the private dining room twice each month. In poetry we know that tastes change. Every generation or at least the most excitable element in every generation conscientiously stones the prophets of its fathers. The aim of this department was to consider how far there is, underneath all these changes in fashion, a central and permanent tradition from which every age and every individual may make particular and temporary divagations, but which remains somewhere at the heart of all styles, so far as they are truly poetical.

Fifth: Another department within a department was the Book Chamber, limited in number, which met for the sole purpose of analyzing and practising book reviewing. We did not count this as an extra section since Mrs. Jack Vallye, Curator of the Books and Current Literature Department, conducted this study. She reports that many of the women had never reviewed a book, indeed, had never appeared on a platform. Their serious study and sincere efforts made this venture more than satisfying for after completing their class work, they had their reviews before the main section, and their reception by the audience proved the success of the experiment. There were eighteen reviews from the Book Chamber before the large audience but every member prepared at least one book review during the year. Seven meetings were held, average attendance, thirty.

Two departments not having regular meetings but doing constructive and significant work were the

Art Exhibits, Mrs. William H. Millsbaugh, *Chairman*;
Drama Work Shop, Mrs. A. H. Purdue, *Chairman*.

Their reports will be found elsewhere in the year book.

Mrs. A. Halden Jones, Curator of the French Department reports that under the splendid instruction of Mademoiselle Madeleine Letissier they met twenty-nine Fridays, having an average attendance of sixty. Both the French and Spanish Departments were self-supporting this year which was a goal long anticipated.

[55]

* First: Applied Design, Mrs. Lural C. Quinn

[*The EBELL of Los Angeles*]

Mrs. W. L. McLeod, Curator of the Spanish Department also held twenty-nine meetings with an average attendance of forty. Senora Lopez de Lowther was the excellent instructor.

Mrs. George W. McCoy, Curator of the Better American Speech Department reports that it has been this year's policy to devote two-thirds of the time allotted to each meeting to lectures, papers, and discussions on the part of members. A part of that time was set aside for a drill in speech correction. Mrs. George V. Shipley ably conducted this drill and from reports it is evident that this forms the crux of the work of this section. The remaining portion of the morning has been used by guest speakers, persons of distinction or achievement in the field of letters. Fourteen meetings were held with an average attendance of two hundred seventeen.

Miss Pauline Curran captured the twenty-five dollar cash prize furnished by Mrs. Seely Wintersmith Mudd for the best descriptive letter presented during the letter writing contest.

Mrs. H. Kenyon Burch received the prize of a similar sum offered by Mrs. James Catlett Ernst for the best short story submitted by an amateur.

Mrs. William Milton Kinney, Curator of the Bible Literature Department has conducted seven regular meetings with an average attendance of two hundred ten.

Current events in the field of religion were given at five meetings by the assistant Curator, Mrs. Alexander C. Smither and at one meeting by Mrs. Robert H. Hunstock.

One lecture each was given by James A. Francis, D.D.; Loyd C. Douglas, D.D.; and Rabbi Edgar F. Magnin. Dr. Lena Leonard Fisher as lecturer for the department gave four lectures, three illustrated; her general subject was, Messages from the Land of Great Remembrance.

Mrs. William H. Bryan, Curator of the Shakespeare Department held fourteen meetings with an average attendance of sixty. The class read the full text of the Merry Wives of Windsor; King Henry V; King Henry VI; Part I, II, III; followed by questionnaire and discussion. There were seven papers given by members, two book reviews and four dramatic recitals; lecture by a dramatic actor and musical numbers by professionals. Dr. Frederick Warde gave scenes from several of Shakespeare's plays. Members of this section

[*The EBELL of Los Angeles*]

also took part in the play of The Merry Wives of Windsor given on a Monday afternoon program celebrating Shakespeare's birthday.

Mrs. Milton K. Young, Curator of the Browning Department led the year's work, there being continued increasing enthusiasm and response.

The program outlined for the year included a study of the life of Robert Browning and his poems, which were considered in chronological order: the former to fall into three periods.

First. His life up to the time of his marriage.

Second. His married life.

Third. His literary attainments.

Representative poems selected from each period were studied with a view to gaining a clearer insight into the poet's artistry, his aspirations, influences, purposes, ideals, together with the unfoldment and development of his genius. This study was supplemented by intimate talks from members who had recently visited the Browning Shrines. Thirteen meetings. Average attendance one hundred and fifteen.

The work of the Psychology Department, Mrs. Edgar S. Stanley, Curator, has consisted of the presentation of six lectures by professional psychologists or philosophers, the review of ten standard books on psychology and two magazine articles. The books, Abnormal Psychology by William McDougall, reviewed by members of the department, and Individual Psychology by Alfred Adler, reviewed by the Curator, were intensively done, the reviewing extending over the entire spring's work.

It is interesting to note that few guests attended the fourteen regular meetings and the attendance averaging one hundred fifty-six was composed of studying members.

The Parliamentary Law Department continued under the curatorship of Mrs. Charles S. McKelvey, holding thirteen meetings with an average attendance of twenty-nine.

This is purely a study department. The time is divided between the study period and the meeting of the Smalltown Club during which practical use of the motions gives to the members the poise and ability to take part in the business meetings of the organizations they represent. While the members are all in Ebell, they are those who are interested in organizations outside of the Club, including many from D. A. R.; Parent Teacher; church societies and P. E. O. Groups.

[The EBELL of Los Angeles]

Five departments have met on Wednesdays.

Art and Travel with an average attendance of two hundred seventy.

Public Affairs with an average attendance of two hundred.

Books and Current Literature with an average attendance of one thousand or more.

Music with an average attendance of three hundred thirty.

Drama with an average attendance of three hundred sixty-six.

Mrs. James W. Johnson, Curator of the Art and Travel Department presented programs of varied interests.

The appreciation of art consists in opening mind and heart to receive the impressions that it conveys; and if the appreciation is to be deep and true, it involves a process of discernment comparable to the artists' process of creation.

The department made two interesting studio visits; one, to the art gallery of Mr. and Mrs. John Frederick Kanst to view the paintings of Lillian Genth, A. N. A.; the other was to the private gallery of Mr. and Mrs. Willitts J. Hole.

Mrs. Leiland Atherton Irish, Curator, conducted the Public Affairs Department.

It is desired in this section to foster thought on all these questions which are imminent; and then whatever issues may arise in the affairs of the country may be dealt with in a sagacious and powerful way.

Mrs. Guy Frederick Bush, Curator of the Music Department has had diversified programs given by our own members, and by professionals who have national and international fame. She presented oratorio, opera, costume recital, child character delineation with music in addition to lectures on musical topics. Mrs. Bush and the music department deeply appreciate the co-operation of our city's finest musicians. The man or woman who gives to the world a great work of art renders the world an illustrious service. "Those only are to be reckoned rich that are rich in good works; not those that have abundance, but those that use it well."

Mrs. Jack Vallely, as Book and Current Literature Curator, presented all the programs given by members of the club with one exception. Mrs. Gertrude E. Maynard gave a talk on Children's Books. Believing it to be the duty of a literature section to completely cover the contemporary field of books, in order to stimulate interest by presenting every type of publication, the Curator in her talks during the year reviewed ten

[The EBELL of Los Angeles]

books of poetry, thirteen of travel, twenty-eight of biography, fifty-nine novels and fifteen books on miscellaneous subjects. These with the reviews of the Book Chamber make a total of one hundred forty-three books in all reviewed. The regular and large attendance attest to the fact that these meetings were of great value.

The Drama Department, Mrs. Lucile Bender Wedden-dorf, Curator, opened the year's work with a lecture by Mazie Fullman Garrett, on the Subject: *The Drama, Whence and Whither*: Then followed a Dramatic Reading of a three act play, *The Foot of the Rainbow*, by the Curator.

Medea by Euripides was staged by the Drama Work Shop.

Then followed two modern dramas, *The Constant Wife* by Somerset Maugham, read by Mrs. Ross T. Hickcox.

The Road to Rome, read by Zoe Ballard Shively.

The month of May in which flowers begin to bud and birds to sing always brings the spirit of exuberance and abandon. The Drama Department caught this spirit and closed the year's work with a vaudeville performance in which many of its own members and a few guests participated.

Elsewhere you will read of the many contributions from the departments to the Furnishing Fund. Extra lectures, musicals, and entertainments were given besides many collections taken in the departments.

All the departments have expressed appreciation of the atmosphere of the department rooms and feel that much has been added to the success of the year's work by the very comfortable and suitable surroundings.

Mrs. John D. Fredericks as Assistant General Curator has fulfilled her tasks with an interest and result-getting concentration that left no room for anything but the very highest praise.

The truly educated woman has learned that she must ever be progressing. My wish for the eighty-eight faithful officers of the departments is that life may be an adventure for them all and that they may cultivate in their souls continued devotion to all that is beautiful in character and conduct.

Respectfully submitted,

MRS. HARRY A. FORD, General Curator.

Third Prize, The Loot, *Miss Adah Yale KleinSmid*.

The judges were: Dr. Allison Gaw, Ruth Helen Davis and Mrs. Carl H. Brueckner. The arrangements for having the plays judged were planned and carried out by Mrs. Jesse E. Wilson, assistant chairman of the Drama Workshop.

The Workshop has contributed to the furnishing fund by giving five plays in connection with benefit programs or entertainments and by repeating one for the same object. Two one-act plays were produced in Beverly Hills as a benefit for a charitable enterprise.

About sixty costumes have been added to the wardrobe room. Some were purchased by a committee of which Mrs. Jesse E. Wilson was chairman, some were donated and others were made under the direction of Mrs. Gertrude Baty and Mrs. Edwin Embury. A collection of properties was begun by Mrs. Tom P. Robertson, chairman of stage settings. Artistic music, dancing and lighting were furnished, when needed, by Miss Elizabeth Hairston Leigh, Misses Selma and Velma Lytell and Mrs. Charles E. Stanton.

To each of these, to the ex-officio members of the Committee, and especially to the General Curator, Mrs. Harry A. Ford, the Drama Workshop owes much of its advancement. Also, the players and those who directed them realized that back of their efforts was the enthusiastic support of the Club as a whole.

Respectfully submitted,

Mrs. Albert Homer Purdue,
Chairman Drama Workshop.

Report of the Practical Relief Committee

Moving into our new Club House last Fall retarded the work of the Practical Relief Committee, but after we were settled, the conveniences of our beautiful new quarters speeded the work. Much interest has been shown by the club at large and new members have been added, so we submit the following report with much pride.

We received 2,478 garments and articles including 147 pairs of shoes, 265 hats, 273 dresses, 73 coats and 563 garments and articles for men and boys. We gratefully acknowledge 362 garments received from the Needle Work Guild; 819 new garments were made which included 56 dresses, 25 comforts, 12 comfort tops pieced (the latter the work of a club member at home), 11 sweaters knitted out of yarn furnished by club members and principally by the club member who took the work home.

Rest Cottage was given 8 comforts and our work for Ebells was 149 lunch cloths and tea towels hemmed; three covers made for moving picture machines; one piano cover enlarged and sixteen curtain ties made; 4085 garments and articles distributed. Clothing has been given to 141 persons among whom were nineteen Rest Cottage guests and thirty-eight college and school girls. Most of these girls have been completely outfitted and have been clothed throughout their college years. Some of these girls have been on our list for three or four years. We have furnished three graduating dresses and material for one dress this spring. We have supplied six young men, who are working their way through college, with tuxedo suits so that they might enjoy social activities, which they otherwise could not have done. Letters of grateful appreciation show how much this has added to their pleasure in college life.

Whatever can not be used by this committee is sent to the Good Will Industries, but we can not say that they ever seem overwhelmed by our gifts.

A jelly and jam shower was given for the Helen Mathewson Club. We had a party in the solarium and thirteen of the fourteen members of the club were present. The girls' fruit closet was well stored for the winter and we hope to make this an annual affair. We have supplied the Helen

[The EBELL of Los Angeles]

Matthewson Club with a few furnishings, and have remembered the Kiddie Koop and the Johnson House Apartments.

Our Christmas activities included the Nurses' Tubercular Camp in the San Fernando Valley. We sent them seven nightgales with twenty hoods and seven pairs of bed socks. Recently we sent them twelve outing cloth nightgowns. At Christmas we sent the Maternity Hospital twelve baby blankets.

Because there had been so many demands this year in Ebell, it was decided to let the treasury of the Practical Relief Committee bear the expense of the disabled veterans' Christmas baskets. However, voluntary subscriptions amounted to \$56.25. Only forty baskets were asked for and the total expense of these was \$157.82, which left \$101.57 for the treasury of the Practical Relief Committee to bear. Such a generous response to our request for jellies and jams was given that we were able to put three jars in each basket. Bullock's sent us two boxes of toys and a box of paper napkins and table cloths, which were distributed among the disabled veterans. In addition, much clothing was sent to the disabled veterans' club for the soldiers and their families.

After the terrible St. Francis Dam disaster Mrs. Charles Egleston Cray, Chairman of Social Welfare, raised through subscription, \$390.77, which was sent to the Times' Relief Fund.

The Practical Relief Committee entirely outfitted and gave \$20.00 to one woman who had lost her husband and two children. Clothing was sent to the Red Cross until we were asked to discontinue it.

We have thirty members enrolled and have held forty-three meetings with an average attendance of fourteen.

The financial report follows:

June 1, 1927: Balance on hand	\$ 126.98
Received from treasurer	1,514.79
Donations	376.15

	Total	\$ 2,017.92
Expenditures		\$ 1,167.51

Cash on hand June 1, 1928	\$ 850.41
---------------------------------	-----------

This includes donations of \$121.00 to make life more comfortable in certain ways for several women.

[The EBELL of Los Angeles]

The work of the Practical Relief Committee is not merely receiving and giving out clothing, but reaches out in many directions. It is our policy never to turn away any who appeal to us for help, and, if we have no means of assistance, we try to direct them to some one who can give the help they need. The most appealing work is the care of eight well educated women who have passed their allotted three score years and ten and who find themselves without means of support or relatives who can care for them.

Many blessings are directed to Ebell for the care and love for these unfortunate ones.

Respectfully submitted,

MRS. T. J. FLETCHER,
Chairman of Practical Relief Committee.

EBELL REST COTTAGE
136 North Park View Street

Report of the Ebell Rest Cottage Association

In Service there is Gain

In reviewing the past and recalling the little group of Ebell women assembled to plan social service, with but one thought in mind, the love of humanity, we become aware that a seed of love was sown out of which Rest Cottage grew. This seed fell in fertile soil, for in the first year twenty-five women, needing rest, love and encouragement, were entertained, while this year the doors at 135 North Park View Street were opened in friendly hospitality to one hundred seventy-nine women, sixty-five per cent returning to their homes or employment, all expressing their appreciation of Ebell's generosity in placing this haven of rest at their disposal.

In July Mrs. Dora Brundige was engaged as matron. She, too, has caught the spirit of Ebell, for our guests radiate happiness under her watchful guidance. Minor repairs were made, such as interior decorating and painting of the roof, and a much needed range was purchased. Generous friends donated fruit, furniture and money, all this adding to the attractiveness and comfort of the Cottage.

Rest Cottage Committees' gift to our beautiful new Club Home was the furnishing of the First Aid Room and a chair in the Fine Arts Room.

Thanks are due to Miss Fulmer's School for its generous donation of Thanksgiving baskets, which brought happiness to many families and pleasure to those who were privileged to deliver them. Again we thank the Benefits and Entertainments Committee, the Needlework Guild, Practical Relief and many others who, by their interest and support, have helped us to carry on this work.

With sincere regret we accepted the resignation of Miss Hattie A. Newman, who for six years served faithfully and efficiently as Treasurer of Rest Cottage Association.

Through the earnest work of the Membership Committee, eight hundred eighty-eight members were enrolled, six hundred eight associate, one hundred ninety-seven contributing, sixty-four sustaining, eleven life, and eight memorial, making a total of three thousand nine hundred twenty dollars and fourteen cents.

[The EBELL of Los Angeles]

Four thousand eight hundred thirty-six dollars and twenty-five cents have been added to our Endowment Fund, making the total Endowment twenty-three thousand nine hundred ten dollars and fifty cents. Rest Cottage is grateful for this support.

Investigating and Transportation Committees, always eager to answer a call, to take a guest to hospital or on a pleasure ride, are worthy of commendation; also the Follow Up Committee in their effort to keep alive the spark kindled in the hearts of our guests while sojourning at the Cottage.

Under the efficient guidance of the Program and Hospitality Committee, two outside speakers were obtained, bringing to us an outline of their work. Visits to several institutions brought us much encouragement. Among the delightful social gatherings were a tea, two luncheons and our annual Christmas party, to which ninety-one former guests responded. With the Cottage aglow with the Christmas spirit, a lighted tree in the garden, a sumptuous turkey dinner, with a gift for each guest, this day will be long remembered, for here we bind the past with the present in the spirit of once a guest always a friend.

We appreciate the generosity of Ebell members and friends who helped make this day possible, not forgetting our Ebell members who gave a delightful program of music and readings.

The Chairman wishes to express her sincere appreciation to our dear President, Mrs. Read, for her keen interest and generous support, to Ebell Executive Committee, Ebell Members, Rest Cottage Members and Rest Cottage Committee Members, for their loyalty and friendliness, helping us to reach forth a helping hand, bringing to fruition the vision of Service.

Respectfully submitted,

MRS. SAMUEL EMERSON FAROAT,
Chairman Ebell Rest Cottage Association.

Report of the Scholarship Committee

1927 - 1928

The work of the Scholarship Committee has been materially widened this year through the generosity of Mr. and Mrs. Charles N. Flint, whose munificent gift of forty thousand dollars in well invested securities has more than doubled our resources.

Their endowment has made possible an increase in the yearly check to each beneficiary. It has been our custom to give each student one hundred fifty dollars a year, payable in ten monthly installments of fifteen dollars. This amount has been raised to two hundred dollars, or ten payments of twenty dollars each. The added help has been appreciated greatly by our scholarship students.

Another change in our policy has been made by including young men as scholarship recipients, which was done at the suggestion of Mr. and Mrs. Flint. This was one of the conditions upon which their gift was made.

We have now extended our benefits to include graduate work, and permit a year of advanced study to those of our students whose college record has been of exceptional merit.

In addition to the Flint Fund, there are three other sources of income for our work. They are: interest from Ebell's Endowment Fund bonds; six hundred dollars annually from Ebell treasury; and special scholarships and gifts from members.

Twenty-one students have been on our roll during the past year, one of whom was in High School. Of those in College, one was at each of the following schools: University of California at Berkeley, University of Southern California, Occidental, and a special Art School. The others were at the University of California at Los Angeles. Ten have been added in the past year. The Berkeley and High School students graduated the first semester, and three graduated the second semester from the University of California at Los Angeles.

One of our students is a young man who was the first recipient from the Flint Fund. Another is a blind girl who is a freshman at the University of California at Los Angeles.

Your committee desires to express their appreciation and gratitude to the members of Ebell, to our retiring president, Mrs. William Read, and to the Executive Committee for their

interest and assistance during the past year, and to acknowledge, that through their help and co-operation, these things have been done.

Report of the President of the Ebell Juniors

A review of the year's achievement for the Ebell Juniors brings to light the fact that although no new activities have been added the year shows steady progress and building on the foundation already laid.

Probably the greatest advance has been noted in the Child Welfare work under the capable direction of Mrs. Harold T. Draper. Ten additional children have been cared for throughout the year, making a total of twenty-two. Through the efforts of Mrs. Draper and her committee, not only have clothes been made for these children, Christmas toys and baskets provided, but two rummage sales netting \$158.19 have been conducted, and one raffle which netted \$58.50.

With the idea of increasing the Child Welfare fund, and likewise the gift fund, the Juniors have held one supper dance which netted \$123.15; one dinner dance which made a profit of \$40.19 and the annual bridge luncheon and fashion show which added a profit of \$289.28.

Due to the prolonged illness of Mrs. Donald E. Forker these benefits, with the exception of the last named, were ably handled by Mrs. Frank H. Wilkinson, assisted by the ticket chairman, Miss Alice Sarah Nelson. The bridge luncheon and fashion show, staged entirely by Mrs. Lawrence Vernon Overell and her assistants, was one of the most beautiful and successful affairs ever given by the Juniors.

With the hope of more firmly establishing the Juniors in the Little Theatre movement which started with the presentation of *Perkins* last year, a three act play, *Hay Fever* was produced. This play, directed by Mrs. George F. Burdick, proved to be an excellent production and it is hoped that a three act play will become an annual event. The proceeds, \$123.38 went entirely to the gift fund.

The total receipts for the year from the above benefits amount to \$792.69.

One of last year's objectives was the purchase of the Juniors' gift for the new Club home. Mrs. James A. Donton, at the head of the Special gift committee, diligently searched all year for exactly the right gift. It is with a great deal of joy that the Juniors announce that our gift is a portrait of

[The EBELL of Los Angeles]

Mrs. William Read, Ebell's retiring President. Through the graciousness of Mrs. Read and the kindness of the artist, Neal Ordayne, as well as the patronage of members at our benefits, this wonderful gift has been made possible.

The programs, under the direction of Miss Lois L. McQuiston, have been excellent and have been ably presented. They are here briefly listed:

October, *Musical*: Leo Sansiper, Baritone.

November, *Three one act plays*, "Courtship," "Moonlight and Moderns," and "Burglars."

December, *Book Reviews*, Mrs. Jack Vally.

January, *Lecture*, "The Far East," Miss Mary Wallis Weir.

February, *Spanish Program*, in charge of Miss Georgia Francesca Sinclair.

March, *Junior Program*, song, Mrs. Edmund Hugh McClure; recitation, Mrs. Louise Marr Neff; Miss Grace Inman, piano solo; "Poor Old Jim," a one act play.

April, *Children's Program*, games and a play directed by Mrs. Leslie S. Bowden.

May, *Shakespearian Program*, by Clifford Carpenter; piano solo, Miss Grace Inman.

June, *Annual Luncheon and Installation of Officers*.

I wish to thank the Juniors for this opportunity to serve as President. It has been highly enjoyable as well as educational and I join with those before me who have so ably expressed their feeling in saying that it is a privilege and a pleasure to serve Ebell.

Respectfully submitted,

MARGARET WINTER ROSS,

President of the Ebell Juniors.

Elections.

SECTION 1. All Officers, except those appointed by the Board of Directors, shall be nominated and elected as provided in this article.

SEC. 2. All elections shall be by ballot and a plurality vote shall elect. At any election, except the annual election in June, if only one candidate is nominated for an office, the election may, by unanimous consent, be by *viva voce* vote.

Nominations.

SEC. 3. All matters pertaining to the nominating ballot and to the election shall be arranged by an Election Board of five members, three of whom shall be elected by the Club members, on the first Monday in April. The other two shall be named by the Executive Committee, and at least one of these two shall be a member of that body. The Executive Committee shall fill any vacancy occurring on the Election Board.

The names of the candidates proposed for office in the Club shall be placed on the ballot through a nominating petition signed by not fewer than one hundred (100) nor more than one hundred fifty (150) regular members of the Club of more than one year's standing. Nominating petitions may be secured at the office on and after the first Monday in April. Said nominating petition must be filed with the Election Board or with the Clerk in the office on or before the first Monday in May.

The nominating petition shall read as follows:

We, the undersigned, regular members of THE EBELL OF LOS ANGELES, propose the name of..... as a nominee for the office of..... in THE EBELL OF LOS ANGELES for the term from July 1, 19..... to July 1, 19.....; and we hereby certify that we have not signed a nominating petition for any other candidate for the same office.

[The EBELL of Los Angeles]

Upon receipt of a properly signed petition, the Election Board shall communicate with the proposed nominee to secure her consent to serve, if elected. If the consent is not secured, the petition becomes void. If no nominee is proposed by petition for some certain office, the Election Board shall nominate one or more persons for that office.

SEC. 4. On the second Monday in May the chairman of the Election Board shall report to the Club the nominees for the different offices.

The Election Board shall prepare a sample ballot, which shall be posted on the Bulletin Board at the Club House from the second Monday in May until the first Monday in June. A copy of the sample ballot shall be sent to every Club member with the Monthly Bulletin for June.

Election.

SEC. 5. Two Directors, to hold office for three years, shall be elected at each annual election, and shall not be eligible for a second consecutive term. Officers shall be elected for one year, and shall not be eligible for election to the same office for more than two consecutive terms. This shall not apply to officers appointed by the Board of Directors. The President, by virtue of her office, is elected a Director for one year.

SEC. 6. The annual election of Directors and Officers for the ensuing year shall be held on the first Monday in June. No further notice of the election shall be necessary.

Officers shall be chosen by ballot. Members shall indicate their choice by placing a cross (X) after the name of one candidate for each office to be filled, or by writing the name of the person for whom she wishes to vote, if such name is not printed on the ballot.

SEC. 7. Balloting shall take place between the hours of ten a.m. and three p.m. of the date set; three members of the Election Board must be present during the balloting. Each member shall be required to register before casting her ballot. The Chairman of the Election Board shall notify each candidate of the result of the election, and post the names of the officers-elect on the bulletin board, as soon as possible after the votes are counted, and report to the Club on the second Monday in June the number of votes cast for each candidate.

SEC. 8. Installation of Directors and Officers shall take place at the last regular meeting in June, and they shall enter upon their duties at the regular meeting of the Executive Committee, the fourth Thursday in June, provided, however, that the President-elect may call special meetings of the incoming Executive Committee during the month of June following her election, to ratify appointments to committees and the officers of the departments for the ensuing year.

RULE 5. All Departments are open and free to all members of the Club.

RULE 6. No Department or any officer thereof shall have power to incur any indebtedness or liability binding upon the Club, but shall defray all its expenses not properly authorized in detail by the Executive Committee.

SEC. 3. At a regular meeting in May each department may propose the name of one or more members for each of the offices of the Department for the ensuing year. The Curator shall hand these names to the General Curator-elect the first week in June, to be presented by her to the Executive Committee.

[*The EBELL of Los Angeles*]

ARTICLE XIII.

Business.

SECTION 1. All communications on business must be presented in writing, and must pass the Executive Committee before being presented to the Club.

SEC. 2. Fifty members in good and regular standing may in writing at any time request special action by the Executive Committee. The Executive Committee shall at once investigate the matter and refer it back to the Club.

ARTICLE XIV.

Amendments.

SECTION 1. The power to amend the By-Laws of the Club may be exercised at any regular meeting by a two-thirds vote of the members so assembled, due notice of the proposed changes having been given.

SEC. 2. The required notice of proposed changes in the By-Laws shall consist in mailing to every member of the Club, not fewer than ten days before the vote is to be taken, a printed copy of the section or sections it is proposed to amend, with the change or changes clearly indicated thereon, and the date of voting.

SEC. 3. Any such amendment so adopted, shall, when certified by the Board of Directors, become effective.

SEC. 4. Only those eligible to vote may attend the business meetings at which By-Laws are to be amended or adopted.

ARTICLE XV.

Parliamentary Authority.

All meetings of the Club and of the Executive Committee shall be governed by "Roberts' Rules of Order Revised," in all cases to which they are applicable, and in which they are not inconsistent with the By-Laws or Special Rules of Order of the Club.

ARTICLE XVI.

Charter Day.

The twenty-seventh day of October of each year shall be known as "Charter Day," commemorating the organization of the Club. A reception in honor of this event shall be given on the last Monday in October, when the members of the Club may be presented to the newly elected officers.

[*The EBELL of Los Angeles*]

ARTICLE XVII.

Notice of Meetings.

No notice need be given of any of the stated meetings of this Club, or of the Board of Directors, or of any of the committees or other convening bodies of the Club, the time of holding of which is fixed by these By-Laws. Any of such meetings may be adjourned to a day certain, even though less than a quorum be present, and no further notice of such adjourned meeting need be given, and any business may be done at such adjourned meeting which might have been transacted at the original meeting. Notice of all special meetings must be given, either personally or through the mail, or by posting on the Bulletin Board for such reasonable time as the officer calling the special meeting may prescribe.

Whereas, the provisions of these By-Laws require the signature of each member of THE EBELL CLUB, and those who have already signed the By-Laws of the Club have, by such signing, bound and pledged themselves to abide by the Laws and Regulations of the Club, therefore we do hereby, in signing the same pledge ourselves also to abide by these Laws and Regulations.

The foregoing By-Laws comprise the original By-Laws of the Club adopted at the first regular meeting on the first day of September, 1898, and as amended from time to time by the Club up to and inclusive of June, 1927. And the foregoing By-Laws have been adopted and passed in all respects in accordance with the rules of the Club at legally-called meetings of the Club, and of the Board of Directors, as required by law.

Standing Rules

Admission to all meetings shall be by card of current term only.

Regular members may bring one guest to all *open* Monday afternoon programs by paying fifty cents.

A check for admission fee must accompany all applications for membership.

New members notified of their election during February or June shall pay dues from March first and October first, respectively.
