### **The American's Creed**

**I BELIEVE** in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic and a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and their fortunes.

I, therefore, believe it is my duty to my country to support its Constitution, to obey its laws, to respect its flag and to defend it against all

## President's Report

WE have been admonished to leave statistics in the ink pot, but I have fished them all out and shall stretch them in bold relief before you, for this is your report and your due.

This has been an unusual year in the Club, as well as in the world; and there has been much adjusting and readjusting to meet the shifting times. Last year we were preparing for war and there was a certain excitement and exhilaration in all this preparation. But when the present Club year opened, many of our boys were really over there in the fighting lines and many others going. The tension was great but we endeavored to keep our poise, to feel that we had reached the port where the real life work of the Club, that for which previous experience had fitted us, was to find action. And our supreme desire and effort was to have the Club respond to this great opportunity that it not only might give the mental and intellectual stimulus necessary to relieve anxious hearts, but also express its patriotism in service.

We had one meeting — a musicale with Mrs. Ryus, Mr. Seiling and Cecil Fanning — a day it is sweet to recall. Then the Club was closed for two months and we were at war with the terrible plague — Influenza. A condition unprecedented in Club history arose. The acceptance of this was greatly to the credit of the Club and was duly appreciated by the Executive Committee. They have tried to make up the lost meetings by presenting some of the highest priced artists on the American platform.

I must first acknowledge my debts to our able First Vice-President, Mrs. Charles H. Toll, whose wise counsel and generous assistance have been invaluable to me. I wish to record the untiring work of your Directors who have kept every detail of the machinery of the Club at its highest efficiency.

The record of your Second Vice-President, Mrs. Millard, is embraced in the report of the Recording Secretary. I assure you the Chairman of the Program Committee has had no easy task to provide entertainment for these uncertain times. But the degree of excellence she has maintained entitles her to the profound gratitude of the entire Club. Through her efforts Ebell secured speakers who appeared before no other Women's Clubs—notably: The Very Reverend Monsignor Arthur Stapylton Barnes, A.M., LL.D. of London, and Mr. Isaac Marcossou of The Saturday Evening Post. Our all-day session with Mr. Frederick Warde in the morning and Mr. Ernest Thompson Seton and United States Senator James D. Phelan in the afternoon was unique in the chronicles of Club history.

The hospitality and household affairs have been ably directed by Mrs. Benjamin Franklin Perkins, our Third Vice-President.

The report of our Fourth Vice-President, Mrs. McKelvey, shows one hundred thirty-six new members, and two reinstated. Seventeen have been called by death. We have fifty-five temporary members enjoying the privileges of the Club. Our total membership is now sixteen hundred ninety-six. One of the most important steps taken by the Club this year was to remove the limit to our membership.

We are fortunate that the records of this wonderful era were made by our gifted Recording Secretary, Miss Laura Paxton.

The work of our Corresponding Secretary has been great in volume and beautiful in service. Mrs. Thayer has fittingly performed one of the most important duties of the Club.

The report of your faithful Treasurer, given in full, shows the Club is in good financial condition, despite the demands of war expenses, taxes and generous contributions to every call of humanity. We owe Mrs. Carlisle no small debt for her painstaking care of our funds.

Mrs. Millspaugh, our General Curator, has looked well to the Departments; her constant attendance has done much to enthuse them and we extend our grateful recognition to her and to each Curator for this great work of Ebell.

We would also bear witness to the splendid work of the committees, to whom we offer now and evermore the tribute of our praise and thanks.

Mrs. A. B. Cooke and the Art Committee have given us rare exhibitions of paintings, so that our Club house has always been beautiful. There was never a time when we needed the spiritual companionship and comfort of these works of art as now.

Mrs. Bruce H. Cass with the Courtesy Committee always on duty has done much for the success of the Club, their cordial greeting preparing us to enjoy the program that followed.

The Credential Committee with Mrs. Sidney M. Haskell as leader has faithfully and tactfully guarded our doors, and has set a standard for those who are to follow. Mrs. Haskell has met all conditions with

such charm and good nature that I am sure all must acknowledge that to be a "doorkeeper in the House of Ebell" is an opportunity for development and important service. Her records show that two thousand nine hundred five guests have been entertained during the year.

The watchful attendance of Mrs. Tom P. Robertson and her committee of ushers has ministered to the comfort and convenience of the audience and those on the platform.

Mrs. Milton E. Hammond with the Decorating Committee has made our Club house not only beautiful and artistic, but appropriate for each occasion.

Mrs. William Milton Kinney of the Club Welfare Committee, has kept us in touch with our members, so we have always had the direct message of those who are ill or in sorrow, and there has been no delay in our word of sympathy reaching them.

Miss Flora N. Hunter has been our chairman of special luncheons and the large attendance and enjoyment of these bespeak her success more eloquently than I could. We have had many notable guests and speakers at these luncheons: Dr. Keim, Ph.D., of the University of Paris; Miss Brenda Franklyn of London, in behalf of the Fatherless Children of France; Mr. Raymond Blathwayt of London, in the interest of St. Dunstan School for the Blind; Lady Margaret Stewart McKenzie; Mrs. Charlotte Cameron, author and lecturer; Mrs. Cordova Severance; Mrs. Charles N. Dow, President of the New York Federation of Clubs; Prof. Anthony Faulkner Blanks of the University of Tokio; Mrs. B. Hughes of Seattle, just returned from Red Cross service in France; Doctor Frederick Dean of Samoa; Mr.

Edward Barclay, with trophies and souvenirs of darkest Africa; Doctor Albert Shiels; Mr. Snyder, Mr. Weaver and Mr. Williams, candidates for Mayor; Miss Catherine Curtis, who impersonated "Sammy Lane" in the film production, "Shepherd of the Hills"; and Mr. L. N. Brunswig. But perhaps the most enjoyable was the one when Mrs. W. S. Bullis called together the Past Presidents of the Club and we feasted upon the riches of their experience and were encouraged by their words of hope for the future.

No report would be complete without emphasizing the important work of Mrs. Ilot Johnson and our Red Cross Auxiliary — yet a full record of this can never be made. She and her co-workers filled an important place in the history of the Club; I may say did a wonderful work for the world. To this list I must add the names of Mrs. Charles H. Thompson, who as chairman of our Red Cross Membership Drive, credited Ebell with more than one-tenth of all the Red Cross memberships in the city, and to Mrs. A. B. Cooke and Mrs. George B. Macaulay and their committees who in Liberty Loan Drives placed us at the head of all organizations of women in the State. The Club subscribed for \$15,500.00 in Bonds and sold \$555,700.00 in the five drives.

We would not forget the work of Miss Ida F. Underhill and her committee of the Red Star, whose faithful and capable services at our luncheons placed in their treasury \$213.25 for Red Star and Animal Relief.

There are many who should have mention for their service and for kind suggestions, but time and space forbid, but their names are writ in our hearts. The

spirit of the volunteer has pervaded the Club and no request has gone forth that has not had ample and willing response. May each one feel that our message of thanks is whispered in her ear. To Miss Osborn and her assistant, Mrs. Allen, we are deeply grateful for their courteous and conscientious execution of the great amount of detail that necessarily falls to the office.

In addition to our usual meetings and Departments we have had many noteworthy gatherings which can be briefly mentioned, yet they will show how alert we have been to all opportunities. Last July we had a special meeting and program devoted to the Allied War Exhibit of the Government, in charge of Mr. Chester I. Campbell of Boston. There were several speakers beside Mr. Campbell, including British, French, Belgian, Italian and Canadian officers.

The Club gave a reception to Mrs. Henry P. Davisson, Chairman of the War Work Committee of America (wife of the head of the American Red Cross). Then our Club house was made lovely for a dance and entertainment for our Soldiers and Sailors from nearby camps. Later Mrs. Ryus with a group of artists went to the Arcadia Balloon School and presented a delightful program, while other members of the Club served bountiful and delicious refreshments to the soldiers there. A reception was tendered the Waldensian Society when Signor Giampicola of Italy was speaker and guest of honor.

We extended the hospitality of our Club house for a meeting of the Business and Professional women when Miss Glenn of New York was here, and your President assisted them in taking the preliminary steps to form an organization that will doubtless be of great advantage to the business women of the State.

We have endeavored to let our contributions express our sympathy with every worthy call for assistance. For though we think of the Club first as a literary, cultural or social center, yet am I sure it is its warm, pulsing heart that makes one feel there is no Club like Ebell.

Recognizing the work of the Y. W. C. A. we furnished a room in their building in this city, and in addition to this gave them two hundred fifty dollars in their drive. We contributed one hundred dollars to each of the drives of the Salvation Army, and to the United War Work Fund we gave five hundred dollars.

We sent a Victrola with several dozen records to one of the ships and a piano-player to Camp Kearney.

At Christmas time we remembered the tubercular soldiers near Phoenix with twenty-five dollars; we saw that the Season's cheer reached fifty-six of our proteges, and sent two hundred sixty-seven packages (a bit of money in each) to the unfortunates in our County Farm.

We have generously answered the call of France, Belgium, Italy and Armenia for help, and in response to the plea of Miss Brenda Franklyn for the French orphans, our Club and members have under their care more than fifty orphans. Three of our members are in Europe now; Mrs. Cecelia White in the reconstruction work of the Y. W. C. A., and Dr. Blanche Brown and Dr. Helen Woodroffe serving in their professions.

Our philanthropic rentals amounted to six hundred four dollars and twenty cents, and from these rentals large sums were made for charity.

While recounting our patriotic and philanthropic work, I would also most gratefully record that two

of our loved and valued members have remembered us with generous bequests: Mrs. R. H. Farquhar, fifteen hundred dollars, and Mrs. D. Gager Peck one thousand dollars.

We have fitted up our Library and Mrs. Sumner P. Hunt and Mrs. Sidney J. Parsons have been appointed Librarians. They hope the Club will fill its shelves with books worthy of Ebell.

Looking to the future we plan to make Rest Cottage and the Scholarship Fund our definite work in philanthropic lines, to concentrate our efforts and our energies on these two and see that they succeed. I am sure that Mrs. Read, who has put so much of her time and her heart into this splendid work, must enthuse others for aid for her dear Rest Cottage. And our Club could do no greater work than to establish as its permanent work in this city, a fund for the education of the young. Education means not only elevation of the mind but expansion of the soul.

The great World War has taught us many lessons, one of the most important; that bad conditions act and react, until in one way or another, all must suffer the penalties of each—in other words that all life is one. Bad conditions in Europe have touched every home in Ebell. Now that the work of reconstruction is before us—that new plans and methods for improving conditions in human life are everywhere struggling for expression—let us make Education our Slogan, and I here urge every member of Ebell to help, that all may be united in this one great work, as our part in reconstruction. Education, wise, thorough, universal, this we must have if sanity, integrity and justice are to become the final rulers of the Nation.

MRS. MATTHEW S. ROBERTSON.

## Report of the Recording Secretary

1918-1919

So

NEVER have the doors of time closed upon a more turbulent, heart-rending, crucial period than 1918 brought to a whole world filled with misery.

The President, Mrs. Robertson, in her address opening the twenty-fourth year of Ebell, challenged each one to give consecrated service and to cooperate for each appeal. Ebell members have not averted their gaze but have listened and learned as they have served.

Mrs. Jay B. Millard, Second Vice-President, Chairman of the Program Committee, has chosen her programs with discrimination and an endeavor to suit the many and varied tastes.

The auspicious opening on October seventh was followed by seven Mondays when the influenza quarantine caused the doors to remain closed. Reopening on December second, for thirty-one Mondays we have gathered in the auditorium and listened to thirty-two programs.

On March tenth we had the novel experience of hearing Mr. Frederick Warde at eleven A. M. This delightful address was followed by a buffet luncheon and in the afternoon we became intimately acquainted with animal life with Mr. Ernest Thompson Seton.

In the universal language of music we have heard many artists, and those names not on our printed programs were Cecil Fanning, Mrs. Carrie Jacobs

Bond, Mr. and Mrs. Spencer Kelly and Mrs. Guy Bush.

There were a few interpretative programs and many brilliant intellects of world-wide fame were among our lecturers.

The programs have been augmented by many whose messages interested the hearers. A representative of our Government brought the first appeal,—Mr. A. W. Frye, who spoke of Liberty Bonds; Dr. C. S. Patton brought a message when newly arrived from France; Mr. Raymond Blathwayt made an appeal for aid for British blind; Ian Koutnik, the Czecho-Slovak of thirteen years of age, told of his four years in the front line of trenches; Mr. John Stephen McGroarty, our California poet, gave us a message on St. Patrick's Day; a "Welcome Home" was extended to Harry A. Williams; Mr. D. E. Jones spoke for the Los Angeles Chamber of Commerce; Dr. George Dehelly, eminent surgeon of France, told of his work, introduced by Mr. L. N. Brunswig; Prof. Quazo Nitobe and Baron Shimpei Goto were distinguished Japanese visitors; Mr. Henry N. James explained legislative issues; Senator James D. Phelan explained the purpose of the League of Nations; Mrs. J. T. Anderson told of the work of the City Council of Defense; Mr. J. B. Coulston and Lieut. E. W. Dickey spoke for Victory Bonds; Mrs. Martha Faulkner, Federal Representative in Rehabilitation of Women, told of her work; Miss Adele Humphrey asked interest in the teachers' salaries; Mr. Scattergood spoke on the Power Bonds; Miss Brenda Franklyn made an appeal for French Orphans; Mrs. Benjamin Lathrop explained her work with the American Fund for French Wounded; Miss Margaret Goetz spoke for the Los Angeles Music Settlement and Mrs. Glinn for the Children's Fresh

Air Camp; Prof. E. M. Weatherby told of the summer course at the University of Southern California; Prof. Larkin introduced Madam Dorothy Klumpke Roberts, First Vice-President of Pacific Coast Branch of National Astronomical Society.

Mrs. Josiah Evans Cowles, President of the General Federation of Women's Clubs; Mrs. P. N. Moore of St. Louis, Past President of the General Federation, and Mrs. W. S. Bartlett gave messages on the closing day.

The following resolutions have been ratified by the Club on Mondays:

October 7th—Amendment to the By-Laws.

January 6th—Action of the Executive Committee in governing the management of Rest Cottage.

January 13th—Endorsement of the Smith-Bankhead Bill, providing for men crippled in industry as well as in war.

January 13th—Endorsement of the plan for integration of L. A. Normal School with State University.

April 14th—Resolution approving the issue of Harbor Bonds April 3rd.

April 3rd—A message of appreciation of the work of Dr. George Dehelly and his message to us was sent to the High Commission of the French Government, and a courteous reply was received in return.

In the Executive sessions a resolution was endorsed approving the proposal to give recognition to women of the nursing profession by conferring military rank.

Messages approving the League of Nations were sent to Senators J. D. Phelan and Hiram Johnson, to Honorable William H. Taft and to President Wilson.

Messages of protest against the passage of Senate Bills 617 and 546 in regard to hotels and lodging houses were sent to Governor W. D. Stephens and Executive Secretary F. D. Sweger of Bureau of Housing.

Letters were sent to Representatives in Washington asking careful consideration of the Keating Child Labor Bill.

Message expressing Ebell's approval of a Secretary of Education in the Cabinet.

June 30th—Resolution appointing a committee to investigate facts and appeal to the City Council to take steps to remedy evils they find existing at the City Jail.

Ebell has been the recipient of some gifts;—a copper bowl, the handiwork of our chairman of the Decorating Committee, Mrs. Milton E. Hammond, and a rare engraving of Queen Victoria in her coronation robes in 1837—a valued heirloom in the family of our honored senior member, Mrs. Ada Henry Van Pelt.

Ebell purchased the art medallion from the Artists War Relief Association.

All of this recital shows that Ebell has not failed, but has met the President's request to meet the challenge of the day.

An appropriate message with which to close the report of the year seems to be a summary from the lecture that has been so frequently mentioned,—that of Prof. Alfred W. Martin:

"Don't live yesterday's life lest you become a murmurer; don't live tomorrow's life lest you become a visionary; but live the life of happy yesterdays and hopeful tomorrows, confident in the

life of today,— a divinely human life, because you are a god, though in the germ. Accept your life in joy or pain, grow onward and upward to the image of the Divine, for which we all were meant. Open the windows of the mind towards the Jerusalem of truth, always taking care to have no curtains of prejudice within nor shutters of prejudice without."

Respectfully submitted,

LAURA PAXTON, *Recording Secretary.*

## Report of the General Curator

THE past year has proven a test year for Ebell's departments. A retrospection recalls the question propounded so often a year ago, "Shall Ebell, in view of the stress of war and war work, continue the departments?" Emphatic was the reply, "The departments are the life blood of Ebell; we need them now as never before to furnish through their channels diversion and relaxation from the serious work of war."

It was "the darkest hour before the dawn" of victory and Ebell women felt the call for redoubled effort in war activities, therefore it was difficult to procure department officers; some were found generous enough to do both, and Ebell began her year in October with twelve departments fully equipped and ready for work.

The doors of the Club had scarcely opened when like a bolt out of the blue came the epidemic of influenza and the quarantine closing the Club until December first. So eager were the departments to make up for lost time that, contrary to custom, meetings were held during December except Christmas week. The first of the year the third beginning was made; from then until the last of May departments met at scheduled times and carried out programs announced in the bulletin.

The English Section, Mrs. Malone Joyce, Curator, spent part of each meeting in considering the pronunciation of everyday words, as well as of French

### [ *The EBELL of Los Angeles* ]

proper names so frequently used in connection with the war. English construction and the best way to express one's thoughts, consumed the rest of the time.

The French Section, Mrs. J. B. Gwynne, Curator, Monsieur Louis F. D. Briois, Instructor, made great progress in acquiring fluency and accuracy in speaking and reading, and in becoming familiar with French literature. At each meeting Monsieur Briois gave a reading. On June sixth the Section presented a literary and musical program at which Mrs. Glover Stith charmed the audience with two groups of French songs and Monsieur Briois, in his inimitable way, gave recitations, monologues and a group of poems *Canadiens-Francais*. The singing of *La Marseillaise* closed the program, after which a reception was held in the tea rooms. The class still maintains its little French orphan, adopted last year, and three other little fatherless children of France were voluntarily adopted by one of the generous members of the Section.

The Spanish Section enjoyed a successful year under Mrs. Charles D. Burt, Curator. Notwithstanding the many vicissitudes and changes of instructors, owing to the epidemic, quarantine and other unforeseen causes, the interest of the class was upheld and good work accomplished. In both elementary and advanced classes the text book work was supplemented by compositions and practical conversation. Study circles were held outside of class room work. At the last meeting an informal picnic luncheon was enjoyed.

Under the tutelage of Mrs. Charles S. McKelvey, the Curator and Instructor, the Parliamentary Law Section had a profitable and interesting year. The study embraced Robert's Rules of Order, Revised, with drill in the use of motions. The aim has been to make intelligent members and leaders for the

organizations to which the members belonged. The instructor presented in most pleasing manner what would otherwise have been a rather prosaic study; and the high average attendance and enthusiasm of the members attested its value and the general interest in this subject. The year closed with a picnic luncheon in the patio.

The Social Science Section under the leadership of Mrs. Albert Denison Jack, Curator, held six meetings, each with a record attendance. The programs presented dealt with the vital social problems of the reconstruction period, and were ably handled by the speakers, four of whom were past Presidents of Ebell. The last program was a symposium on the theme, "Do we justify our existence as Club women?" The speakers were from the circle of brilliant Club Presidents, including Mrs. Josiah Evans Cowles (President of the General Federation), Mrs. A. S. Lobingier, Friday Morning Club, Mrs. Birney Donnell, Women's University Club, Mrs. Lillian Burkhart Goldsmith, Channel Club, and Mrs. Charles H. Toll, First Vice-President of Ebell.

The Art and Travel Section, Mrs. William S. Bullis, Curator, was fortunate in securing Mrs. Cecelia A. White as lecturer. Mrs. White gave the Section an interesting combination of travel and art by sharing with the members, through stereopticon views and word pictures, her own delightful sojourns in Sicily, Italy and France, adding, when of special interest, historical and legendary background. Her talks were vivid and full of intimate descriptions of those things one so seldom finds in books, and so much one wishes to know. Mrs. White was called to France for reconstruction work, so was unable to give the complete series of lectures planned.

Miss Josephine Locke, a guest of the Section, who had spent much time in Japan studying its people and its art, and the inter-relations of these two, spoke on the Psychology of Japanese Art. She illustrated her talk with lantern views. Another guest of the Section, Miss Mertice M. C. Buck, Director of Occupational Therapy for The State Tuberculosis Association, talked one morning on weaving and hand-made textiles and the opportunities these offer to the maimed and the blind.

The three fifth Thursdays of the month occurring in October, January and April, were set apart for talks on Bible Literature by Mrs. W. S. Bartlett. Owing to the epidemic only two of these scholarly, illuminating topics were given: "The Influence of the Bible on Literature," and the pertinent subject, "The Bible and Democracy."

The Browning Section, Mrs. Edward Crumley, Curator, studied and discussed many of the shorter poems of Browning, illustrating different phases of Art, History and Philosophy. Variety and interest were stimulated by having a different program chairman for each meeting. Splendid papers were given by the Section members. One program was presented by the Los Angeles Browning Club and another by Miss Virginia E. Graeff, gifted Art Lecturer of Cleveland, Ohio. June fourth, at the beautiful ranch home of Mrs. Philip L. Wilson, marked the closing of an interesting year's work.

The Choral Section with Mrs. Reynold E. Blight, Curator, and Mrs. Abbie Norton Jamison, Director, Mrs. Mamie Ashley Franklin, Accompanist, spent a most interesting and enthusiastic year studying Folk Songs of the Allied Nations, popular war songs that our boys were singing "over there," and a group of

Negro Spirituals. The Choral gave two Monday programs, one of which was the Easter Musicale, assisted by Mr. John Smallman and Miss Grace James, accompanied by Miss Esther Rhoades, Harpist. Thirty-five songs were studied, three of them Mrs. Jamison's compositions. The Choral also gave a program for the Hollywood Women's Club, a gratifying tribute to the good work done by the section under the appreciated leadership of Mrs. Jamison.

The Drama and Books Section, Mrs. W. B. Scarborough, Curator, had planned an interesting course for the year, embracing a study of the literature and drama of the countries of the Allies. Unfortunately some excellent programs had to be omitted on account of the Club being closed, only five meetings being held. Profitable mornings were spent studying the drama of Italy, Russia and France. A play illustrative of the country's drama, and papers prepared by members were read at each meeting. The year's work was greatly augmented by a program by Professor Anthony Faulkner Blanks, and one by Miss Gertrude Darlow. A list of best plays and books was given at each meeting, also glimpses of happenings in the New York World of Drama and Motion Pictures. Owing to the Curator's absence from the city, Miss Alice Louise Jones, Assistant Curator, had charge of the work during the last two months.

The Emerson Section read analytically Emerson's Essay on "Compensation," "The Method of Nature," "Man the Reformer," "Lecture on the Times," "The Conservative," and "The Transcendentalist." Discussion of the enduring literature of the great war was opened by Mrs. J. B. Millard in October and closed by Mrs. William R. Mail in May. Discussions of

the problems of the reconstruction period proved of value. Stimulating addresses by Mrs. H. F. Boesche, Mrs. Laura S. Hunt and Mrs. Ilot Johnson found ready response in the expression, "What wonderful days these are in which we live!"

Through the faithful and conscientious efforts of Mrs. Edward A. Tufts, Curator, who was the sole officer in the Section at one time, caused by unavoidable resignations of other officers, the Shakespeare Section passed an interesting year in studying Coriolanus, Julius Caesar, and Antony and Cleopatra. The study of these famous historic characters and of the times in which they lived was most instructive. All members regretted the absence of their former instructor, Mrs. Edward North, but each one felt a responsibility and contributed to the success of the Section.

The social side of the Sections found expression in the luncheons, four of which were given during the year. That of the Art and Travel Section in honor of the Presidents of Ebell — eleven of whom were present — was a notable event in the Club year. Mrs. William S. Bullis, Curator of the Section, was toastmistress. It was a happy reunion of the Executives who had builded, so well, from small beginnings, the greatness of Ebell. The Shakespeare Section gave a luncheon in honor of Mrs. Edward North, for so many years their beloved instructor. Many and brilliant were the toasts, led by the toastmistress, Mrs. Edward A. Tufts. One week in May brought two gala occasions, — May twentieth the annual luncheon of the Browning and Emerson Sections, which proved of unusual interest, much merriment being evoked by the reading of original limericks; Mr. Badger Clark read some of his stirring Western poems. Preceding the luncheon an able address upon "Justice" was given

by Reverend E. Stanton Hodgin, touching upon the eternal laws of retribution. On the twenty-fourth of May the Drama and Book Section gave its last program followed by a most enjoyable luncheon. The charming and venerable Curator Emeritus of the Section, Mrs. Ada Henry Van Pelt, presided. This being the French morning, Mr. Lucien N. Brunswig was guest of honor and spoke on "The Rehabilitation of Devastated France."

Besides the formal functions a record of Departments would not be complete without mentioning the informal and friendly gatherings in the tea room or patio after the study classes, when members not only broke bread together but really shared it with each other — as well as ideas, hopes and desires, bringing a closer relationship and mutual understanding.

Ebell Departments have withstood the "acid test" of war, pestilence, quarantine and the armistice, with its relaxing influence. In spite of all these vicissitudes and drawbacks, with fewer meetings, the attendance of the Departments approximated six thousand. This remarkable record is due to the conscientious and untiring efforts of the Curators of the various Sections who arranged and rearranged programs, and in every way kept up interest and enthusiasm under most trying circumstances. The work accomplished during the past year points the way to greater success and renewed vigor in all Departments for the coming year.

Respectfully submitted,

MRS. WILLIAM H. MILLSPAUGH.

## Red Cross Report

45

THE EBELL AUXILIARY of the Los Angeles Chapter of the American Red Cross "carried on" during the summer of 1918 with only the three weeks' vacation that was ordered by the Chapter.

The epidemic of influenza brought a need for garments in the local emergency hospitals for both military and civil population. After the signing of the armistice the principal work of the Chapter was the making of clothing for refugees.

Under the leadership of Mrs. George B. Macaulay and Mrs. O. O. Witherbee the department of surgical dressings made 66,418 dressings for the period of the war. This year's work was the making of pads and influenza masks. The knitting department with Mrs. W. R. Dickinson as chairman and Mrs. Frederick B. Braden, vice-chairman, has turned into headquarters a total of 2901 garments. Mrs. C. M. Moses, with Mrs. Frank Stiff as assistant, took charge of the sewing for the past year. 519 garments made during the year make a total of 1362 for the period of service.

The Executive Committee of Ebell guaranteed the expense of the Auxiliary,— but this year the Auxiliary financed itself. The garden party given last year in the Hooker Gardens through the courtesy of Miss Thomas brought the fund from entertainments to \$1225.02. The Chapter gave materials amounting in value to \$356.77 and gifts of credit amounting to \$225.00.

Mrs. Herbert P. Barton organized the Salvage department last year. With a group of eager workers

[ 48 ]

[ *The EBELL of Los Angeles* ]

the department was able to place to the credit of our Auxiliary \$1370.80 as a result of eight months' work.

At Christmas time the yearly membership roll call was held. Mrs. Charles Thompson was chairman for Ebell Auxiliary and Mrs. Harry Cardell assistant. By their untiring efforts and never flagging spirits they were able to carry out a most successful campaign in District Number 30, a district bounded by Grand avenue and Main street, Pico street and Fourth street. Three hundred four workers checked in and out of the District office turning in \$15,401.25, which is 11¼ per cent of the total sum collected by the Chapter; \$3,825.25 was placed to the credit of Ebell Auxiliary. The \$100 yarn prize was won by Ebell workers who turned in more subscriptions than any other auxiliary. Donations and purchase of materials by members amounted to \$100.11. The proceeds of the table in patio managed by Mrs. J. W. Musselman and Mrs. Robert Grant brought in \$38.65 to April 1.

By vote of the Club at the annual business meeting June third, the Ebell Auxiliary was demobilized. But the memories of loving service and cooperation will always remain within our walls to be an inspiration for endeavor in future service.

## Report of Animal Relief

EBELL Board kindly granted the Red Star the privilege of serving the luncheons for the benefit of its relief work for our four-footed soldiers who have been "decorated for bravery, serving their country, following the flag, and dying for its cause."

Our work was interrupted owing to the influenza which necessitated closing the Club.

We submit the following report:

Serving nine luncheons . . . . .	\$112.00
Tea served twice . . . . .	15.00
Sale of flowers . . . . .	8.00
Sale of dolls, etc. . . . .	19.65
Donations . . . . .	58.60
Total . . . . .	<hr/> \$213.25

Of this amount \$52.25 was given to the Red Star; the war being over we directed our efforts toward the home relief. We gave on June first \$161.00 to the California Anti-Vivisection Society.

Respectfully submitted,  
IDA FRANCES UNDERHILL, *Chairman.*

## Report of Art Committee

THERE were nine exhibitions of paintings during the current Club year,—the influenza epidemic and consequent closing of the Club making the number less than last year.

Those exhibiting were:

Benjamin C. Brown.  
Dana Bartlett.  
Maurice Braun.  
Ten Painters' Club.  
Edgar Payne.  
R. Clarkson Coleman.  
Alice Blair Thomans.  
C. P. Townsley.  
Roscoe Shrader.

On recommendation of the Art Chairman, the Executive Board purchased the bronze Victory medallion from the Art War Relief Society of New York,—the money going to the fund for disabled artists, wounded in the War. The design is by Paul Manship, the noted sculptor. This medallion has been mounted and is now hung in the Reception Room.

Respectfully submitted,  
MRS. A. BENNETT COOKE,  
*Chairman Art Committee.*

EBELL REST COTTAGE

## Ebells Rest Cottage

1305 West 95th Street

*A Venture in Social Service  
A Report and an Explanation*

THIS is a report not only of Rest Cottage as it is but of that which led up to it and which seems inseparable from it,—the activities of the Social Service Committee.

In Ebells are many women who believe that no longer has any society, club or association the right to exist for itself alone. They do not restrict the meaning of Ebells motto "I serve" to "I serve myself" but are convinced that the broadest, deepest and highest culture comes only through service to others.

Since July 1, 1918, the devoted members of this self-constituted but self-forgetting group have met almost every week in the sewing room at Ebells to fashion garments out of new material, when available, or to repair or remodel donated garments when necessary.

Including the very acceptable and generous donations of the Needlework Guild, the Comforts Forwarding Committee of the Christian Scientists' War Work, the Country Club Heights, Ebells Red Cross Auxiliaries and the Woman's Council of Defense, five thousand six hundred ten garments,—one-third of them new,—have been collected and distributed mainly in American homes having dependent children of school age; two hundred twenty-nine pairs of good shoes were also furnished to cover otherwise bare feet.

The Social Service Committee has kept up its connection with the County Hospital, Johnson Apartments and certain settlement or neighborhood schools. Cases of destitution reported from these sources have been investigated and relieved. Food as well as clothing has been supplied (Miss Gibson's cupboards were seemingly inexhaustible), and employment found for many.

At Christmas time Miss May Neill's committee prepared two hundred sixty-seven packages for the elderly men at the County Farm and sent out ninety-six other remembrances to former inmates of Rest Cottage.

The nimble fingers of Mrs. Gustave Pockles and her assistants cleverly remodeled forty-two hats into smart spring creations which gladdened just that many hearts at Easter tide. But that too much work might not dull their wits, these busy ones and other eager women sought to combine recreation with useful information on occasional irregular days by motoring to nearby city, county and state institutions. On these so-called "Field Days" nine such institutions were visited, at all of which we were made more or less welcome and shown as much or as little as our time and other restrictions allowed. No attempt was made on our part to investigate abuses, if any such existed; the idea was to become acquainted with existing social agencies as they are; to meet the superintendents and social workers in charge, and to learn from them what is actually being done for social betterment. Everywhere the spirit of social service seemed very much alive.

These visits, superficial and hurried as they were, made a deep impression,—an impression of the gravity of present conditions, an impression of danger.

From them the most inconsequent came away convinced that if the democratic ideals of America are to be perpetuated, (1) every resident must be made into a citizen, (2) every citizen into a good American, (3) class prejudice must be met and overcome by neighborly association, (4) the causes of suffering and destitution must be found and removed, (5) there must be a better relation of each to every other, and (6) each must be equipped to fill some useful niche in society's complicated scheme. Two of these, 5 and 6, Rest Cottage will help to accomplish by restoring women to usefulness and changing their attitude toward society at large and especially toward those more fortunate than they.

To carry out even so small a plan for reconstruction, money must be found. No more than the sum already pledged, fifty dollars a month, could be expected during war time from Ebells' treasury; so a drive for Rest Cottage memberships was made by a committee under the direction of Mrs. William L. Jones, whose skillful generalship added three hundred fourteen new names to the membership roll which now numbers two hundred seventy-nine associate and forty-five sustaining members, besides forty-two unclassified contributors of sums ranging from two dollars to one hundred dollars.

At Easter time a very successful and enjoyable card party was given under the capable direction of Mrs. Anne C. FitzGerald and Mrs. W. I. Hollingsworth; the net proceeds (\$184.75) will be used for Social Service or O. D. R. specials.

Specific donations, sometimes from non-members, in connection with sums realized from the sale by Mrs. J. W. Musselman of various articles of vertu, and by Mrs. R. B. Williamson from hand-painted place cards

(her own work), with contributions of twenty-five each from Ebell's program, house and philanthropy committees, increased this fund by three hundred eighty-one dollars and thirty-seven cents.

To prevent dissipation of energy by too much scattering of effort; to make a necessary change in form but not in spirit,—a change that would enable Rest Cottage to accept either bequests or endowments,—the Ebell Board of Directors had in January passed an enabling act creating the Ebell Rest Cottage Association. This was approved by the Club in open session. At the first business meeting of the newly created Association the same women who had heretofore served so acceptably were continued in office, Miss Mattie H. Wilson being elected Secretary, Mrs. William R. Wherry, Treasurer; Mmes. C. D. Clawson, Gertrude Nash and Sidney J. Parsons, Directors. The official family was at this time greatly strengthened by the addition of its directorate, ex-official of Ebell's President, Mrs. Matthew S. Robertson, and Chairman of Philanthropy, Mrs. Charles N. Flint.

And thus the little cottage at thirteen hundred five west Ninety-fifth street was put upon a surer foundation and better equipment made possible, with no greater outlay from Ebell. This Rest Cottage is not a hospital, neither is it a sanatorium; but it is just what its name implies,—a place where the efficacy of rest in connection with cheerful surroundings, good food and pure country air may be tested as a means of hastening the return, to the dispirited and earth-worn, of their normal, physical health, mental poise and spiritual equilibrium.

Rest Cottage is not a costly experiment. The property was given to Ebell and the rooms which have been added have been inexpensive considering they

were built while all the world was at war. One of these rooms, large, bright and airy, was erected to the memory of one of Ebell's valued early members, Mrs. Lydia Bradford Torrey, the entire cost being defrayed by voluntary subscriptions from those of her friends who desired to perpetuate a loving memory.

The matron's room has been doubled in size; a new kitchen has been added and equipped; a sizable gas range and water heater (presented by Mrs. W. K. Parkinson), with first-class modern sanitary plumbing and all which that implies, installed; a shed for storage purposes and a fence built; and the entire cottage re-roofed and repaired. Toward this expense Ebell contributed one hundred fifty dollars.

Rest Cottage does not aspire to become an institution but aims instead to be a true home to those handicapped ones who are welcomed within its unpretentious but hospitable portals. Once within its gates it is hoped that true friendliness will replace distrust, dissolve doubt, disperse unrest and complete the restoration already begun.

Eighty-seven persons in all have sought its shelter, sixty of whom have been accepted guests since July 1, 1918. Ten were cared for elsewhere. The average stay of guests has been two and four-tenth weeks. The sixty guests, together with a matron, her two children and a scholarship girl, who for fourteen weeks acted as helper, have all been provided with food and shelter for twelve months at a total cost of eleven hundred twelve dollars and fifty-four cents to Rest Cottage Association and Ebell. Ebell's share of this was six hundred dollars or fifty dollars a month. There were furnished two hundred ninety-eight weeks' board and lodging for an average household of five and seven-tenth persons. The average cost per person

per week was three dollars and seventy-three cents without deducting refunds which during the year aggregated two hundred eighty-eight dollars and three cents. The amount spent for permanent improvements has not been considered in this computation as the new rooms add considerably to the value of the real estate and are a distinct asset. The appended report of the Treasurer, Mrs. William R. Wherry, segregates the various accounts and makes this clear.

At the first annual business meeting held Tuesday, June the tenth, the following officers were elected: Secretary, Miss Mattie H. Wilson; Treasurer, Mrs. Henry Levinson; Directors, Mrs. Edward C. Magauran, Mrs. J. A. Rogers and Mrs. Edward A. Tufts. After full reports of the year's work by the Secretary, Treasurer and Committee Chairmen, adjournment was taken to the first annual luncheon whose success was due to the painstaking supervision of Mrs. Rogers' committee assisted by the Red Star at the table. Well known social service workers gave interesting accounts of their work.

The support and encouragement given by Ebells President, Mrs. Matthew S. Robertson, and the Executive Committee, the fellowship of kindred spirits working together with a single purpose, and the sincere appreciation of most of those we were trying to assist, have made even more fascinating a work which in itself is its own reward.

Respectfully submitted,

MRS. WILLIAM READ, *Chairman.*

## Form of Bequest or Devise for Benefit of Ebell Rest Cottage

It is suggested that one of the following forms be used when money or real estate is to be left to The Ebell for the benefit of Rest Cottage.

If money, use the following form: "I hereby give and bequeath to The Ebell of Los Angeles for the maintenance of Rest Cottage .....dollars."

If real estate, use: "I hereby give and devise to The Ebell of Los Angeles that real property described as follows....."

If the desire is to leave money or real estate with the intention that only the interest or income therefrom shall be used for the maintenance of Rest Cottage, then add to the above forms as follows: to the first, "and I direct that said sum of money be safely invested and the interest or other proceeds arising therefrom shall be used for said purpose."

To the second form add, "and I direct that the income from said property shall be used for the support of said Rest Cottage and in the event that it is deemed advisable to sell the said property so devised, that the moneys derived therefrom shall be invested and the proceeds used for said purpose."

At the suggestion of the donor such bequest or devise may be left as a memorial to erect a building or endow a room to be known by the name of the person designated.

You may make your own will without any witnesses being present. To do so it must be wholly dated, written and signed in your own hand writing.

In the event that it is written by other persons it must be signed by you and by two witnesses, who must sign at your request after you have declared to them that the instrument is your last will and testament. They must sign in your presence and in the presence of each other.

*Elections.*

SECTION 1. All officers, except those appointed by the Board of Directors, shall be nominated and elected as provided in this article.

SEC. 2. All elections shall be by ballot and a plurality vote shall elect. At any election, except the annual election in June, if only one candidate is nominated for an office, the election may, by unanimous consent, be by *viva voce* vote.

*Nominations.*

SEC. 3. All matters pertaining to the nominating ballot and to the election shall be arranged by an Election Board of five members, three of whom shall be elected by the Club members, on the first Monday in April. The other two shall be named by the Executive Committee, and at least one of these two shall be a member of that body. The Executive Committee shall fill any vacancy occurring on the Election Board.

The Election Board shall prepare a sample ballot, which shall be posted on the Bulletin Board at the Club House from the second Monday in May until the first Monday in June. A copy of the sample ballot shall be sent to every Club member with the Monthly Bulletin for June.

The names of the candidates proposed for office in the Club shall be placed on the ballot through a nominating petition signed by not fewer than twenty-five (25) nor more than thirty-five (35) regular members of the Club of more than one year's standing. Said nominating petition must be filed with the Election Board or with the Clerk in the office on or before the first Monday in May.

The nominating petition shall read as follows:

"We, the undersigned, regular members of THE EBELL OF LOS ANGELES, propose the name of . . . . . as a nominee for the office of . . . . . in THE EBELL OF LOS ANGELES for the term from July 1, 19 . . . , to July 1, 19 . . . ; and we hereby certify that we have not signed a nominating petition for any other candidate for the same office."

Upon receipt of a properly signed petition, the Election Board shall communicate with the proposed nominee to secure her consent to serve, if elected. If the consent is not secured, the petition becomes void. If no nominee is proposed by petition for some certain office, the Election Board shall nominate one or more persons for that office.

SEC. 4. On the second Monday in May the chairman of the Election Board shall report to the Club the nominees for the different offices.

*Election.*

SEC. 5. Two Directors, to hold office for three years, shall be elected at each annual election, and shall not be eligible for a second consecutive term. Officers shall be elected for one year, and shall not be eligible for election to the same office for more than two consecutive terms. This shall not apply to officers appointed by the Board of Directors. The President, by virtue of her office, is elected a Director for one year.

SEC. 6. The annual election of Directors and Officers for the ensuing year shall be held on the first Monday in June. No further notice of the election shall be necessary.

Officers shall be chosen by ballot. Members shall indicate their choice by placing a cross (X) after the name of one candidate for each office to be filled, or by writing the name of the person for whom she wishes to vote, if such name is not printed on the ballot.

SEC. 7. Balloting shall take place between the hours of ten a. m. and three p. m. of the date set; three members of the election board must be present during the balloting. Each member shall be required to register before casting her ballot. The Chairman of the Election Board shall notify each candidate of the result of the election, and post the names of the officers-elect on the bulletin board, as soon as possible after the votes are counted, and report to the Club on the second Monday in June the number of votes cast for each candidate.

SEC. 8. Installation of Directors and Officers shall take place at the last regular meeting in June, and they shall enter upon their duties at the regular meeting of the Executive Committee, the fourth Thursday in June.

ARTICLE XII.

SECTION 1. The Club shall be organized into Departments for the study of special subjects or the carrying on of different branches of work. Such Departments to be Art, Science, Literature, Language, and such others as from time to time the Club may deem advisable.

SEC. 2. Each Department shall have a Curator, who shall be appointed by the Executive Committee.

RULE 1. All members of Departments must be members of THE EBELL OF LOS ANGELES.

RULE 2. Members wishing to form Departments must apply to the Executive Committee through the General Curator.

RULE 3. Curators shall preside at the meetings of their Departments, and plan a course of study and make an annual report of the work of the previous year when called upon to do so by the Executive Committee.

RULE 4. Departments have no power to organize or disband, nor to dismiss or appoint Curators, but may express a preference to the Executive Committee.

RULE 5. Departments may limit their number and close admission, by showing ability to keep their number complete. New Departments may then be formed, based on the same line of work, bearing the same name, and numbered according to order of formation, 1st, 2nd, etc.

RULE 6. All Departments are open and free to all members of the Club.

RULE 7. No Department or any officer thereof shall have power to incur any indebtedness or liability binding upon the Club, but shall defray all its expenses not properly authorized in detail by the Executive Committee.

SEC. 3. At a regular meeting in May each department may propose the name of one or more members for each of the offices of the department for the ensuing year. The Curator shall hand these names to the General Curator-elect the first week in June, to be presented by her to the Executive Committee.

#### ARTICLE XIII.

All communications on business must be presented in writing, and must pass the Executive Committee before being presented to the Club.

#### ARTICLE XIV.

Fifty members in good and regular standing may in writing at any time request special action by the Executive Committee. The Executive Committee shall at once investigate the matter and refer it back to the Club.

#### ARTICLE XV.

SECTION 1. Not fewer than twenty-five (25) members of this Club, personally attending at a regular or properly called meeting, shall constitute a quorum for the transaction of business.

SEC. 2. The power to amend the By-Laws of the Club may be exercised at any such meeting by a two-thirds vote of such members so assembled, due notice of the proposed changes having been given.

SEC. 3. The required notice of proposed changes in the By-Laws shall consist in mailing to every member of the Club, not fewer than ten days before the vote is to be taken, a printed copy of the section or sections it is proposed to amend, with the change or changes clearly indicated thereon, and the date of voting.

SEC. 4. Any such amendment so adopted shall, when approved by the Board of Directors, become effectual.

SEC. 5. A quorum to do business being present, any By-Law may be suspended by a two-thirds vote.

#### ARTICLE XVI.

All meetings of the Club and of the Executive Committee shall be governed by the rules contained in "Robert's Rules of Order Revised," in all cases to which they are applicable, and in which they are not inconsistent with the By-Laws or Special Rules of Order of the Club.

#### ARTICLE XVII.

The twenty-seventh day of October of each year shall be known as "Charter Day" commemorating the organization of the Club. A reception in honor of this event shall be given on the last Monday in October, when the members of the Club may be presented to the newly elected officers.

#### ARTICLE XVIII.

No notice need be given of any of the stated meetings of this Club, or of the Board of Directors, or of any of the committees or other convening bodies of the Club, the time of holding of which are fixed by these By-Laws. Any of such meetings may be adjourned to a day certain, even though less than a quorum be present, and no further notice of such adjourned meeting need be given, and any business may be done at such adjourned meeting which might have been transacted at the original meeting. Notice of all special meetings must be given, either personally or through the mail, or by posting on the Bulletin Board for such reasonable time as the officer calling the special meeting may prescribe.

#### ARTICLE XIX.

Whereas the provisions of these By-Laws require the signature of each member of THE EBELL CLUB, and those who have already signed the By-Laws of the Club have, by such signing, bound and pledged themselves to abide by the Laws and Regulations of the Club, therefore we do hereby, in signing the same, pledge ourselves also to abide by these Laws and Regulations.

The foregoing By-Laws comprise the original By-Laws of the Club, adopted at the first regular meeting on the first day of September, 1898, and as amended from time to time by the Club up to and inclusive of June, 1919. And the foregoing By-Laws have been adopted and passed in all respects in accordance with the rules of the Club at legally-called meetings of the Club, and of the Board of Directors, as required by law.
