ARTICLES OF INCORPORATION  
AND BY-LAWS

# The Ebell

Organized, 1894.

The Ebell of Los Angeles was organized in 1894, being one of several Chapters on the Pacific Coast which bears the name of the founder of these societies, Dr. Adrian Ebell. Dr. Ebell was a German scholar of note, who, realizing that women had limited opportunities for developing their minds along scientific lines, planned the line of club work which bears his name. While traveling in America in 1876, Dr. Ebell formed the first Chapter, the Oakland Ebell, the oldest club on the Coast. After the model of this finely organized mother club, the Ebell of Los Angeles was formed, consisting of a central organization with study sections.

Incorporated 1897.

Incorporated according to the Provisions of Title 12, Part 4, Division First, of the Civil Code of the State of California.
