Melanie McAndrew is also a sophomore whose hobbies include tennis, volleyball, math, and reading. Her favorite movie this summer was "Top Gun" starring Tom Cruise and Kelly McGillis. When asked who Melanie admires most, she replies, "My sister Monica because she is a very active person who is always happy."

Melanie has been on the Honor roll and National Junior Honor Society and hopes to accomplish the same during high school. Her future plans include attending college in Florida, majoring in math or English, and becoming a junior high school teacher.

As a new student at Louisville High School, Jim Presuto is an energetic sophomore who is looking forward to an exciting school year. Already, Jim has played baseball for the Louisville J-V team and for Montrose this summer. At present, Jim plays percussion in marching band, which involves Friday night football games and Saturday competitions. When Jim is not studying to maintain his "A" average, he enjoys listening to Phil Collins and watching the Cleveland Browns win on Sunday afternoons. Jim's other hobbies include basketball, drawing, Spanish, and movies.

NATIONAL HONOR SOCIETY

by Kathryn Kelly

Under a new advisor, the National Honor Society has begun planning for an exciting year. With Mrs. Hanlin's retirement, Miss Mastroine (LHS Librarian) has taken over leading this organization. Elected officers for NHS this school year are Liz Hamilton, president; Mark Mason, vice-president; Pat Helmuth, secretary; Kathryn Kelly, treasurer; and Tracy Schario, historian.

Through leadership, scholarship, service,

character, and citizenship, students are judged for membership in NHS. To be eligible for membership, a student must maintain a 3.5 grade point average and earn five service points. Certain activities are worth different points, so students are urged to check the activities bulletin board for exact details.

This year, National Honor Society wishes to concentrate more on service projects than they have in the past. Plans are being devised concerning both school and city improvements.

THE QUEEN

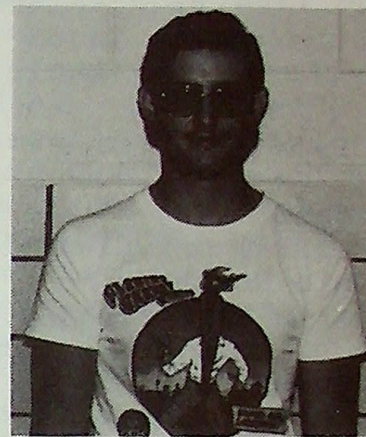

by Melisa Miller

Jody Lynn Flanigan was chosen as the 1986 Constitution Day Queen on September 18th in the Louisville Junior High School auditorium. The evening began with a sportswear competition and then with a formalwear competition. Miss Stover then announced the ten finalists. The finalists were Angie Brown, Wendy Cutshall, Laura Weller, Connie Welsh, Jody Flanigan, Tracy Landon, Heather Virido, Tina Guidone, Jennifer Yeagley, and Anna Scannelli.

After the contestants answered the question, the judges tallied up their votes and decided on the 1986 Constitution Day Queen... Jody Flanigan. First runner-up was Angie Brown, second runner-up Connie Welsh, third runner-up Tracy Landon, and Miss Congeniality was Melisa Miller.

THE SCHOLAR

by Kathryn Kelly

David Sluss, a senior here at LHS, has earned a very reputable honor. He is a National Merit Scholarship semi-finalist, a position desired by many but attained by few. Last October, many students participated in the PSAT, and Dave ranked in the top one percentile of those who took the PSAT in the nation.

Soon to come is another test to determine which of the semi-finalists will become National Merit Scholarship finalists. If Dave becomes a finalist, he will receive either a \$2000 scholarship over four years or a full ride from a corporation.

Throughout his high school career, Dave has upheld a 4.0 grade point average and has participated in several prominent co-curricular activities. Dave has been an active member of the Louisville debate team for the past four years and has had great success. Dave is a member of the National Forensic League and a member of the National Honor Society. He is also involved in the Church Consistory.

After graduation from high school, Dave plans to attend Akron University and major in secondary education. Dave wishes to become a math teacher following graduation from college.
