

College Corner

Seniors: Any seniors who still need to take entrance tests definitely should do so by January-February deadline or your admission process could be delayed. Check in Guidance for registration materials.

Also, if you have not already completed your application process for college or technical school, you should get this started.

Remember: Before you can be considered for any financial aid, the application process must be completed.

Juniors: If you are planning to attend college or technical school, now is the time to be comparing schools. The necessary materials for comparison of schools can be found in the Guidance Reference Room. If you need help with this study project, see the counselors.

Sophomores: Your big job is thinking about career choices! Stay alert for the availability of any tours and/or printed materials that can be used for studying these various career choices. Read, observe, decide!!! Picking a career that is suited for you is a job that takes time and thought.

SSC

by Nicki Torbett

One of the newer activities here is Students Serving Christ, which is basically a Bible-study group. SSC meets on Wednesday evenings at 7:00 pm. Meetings are held at the homes of members. Anyone is welcomed to attend, and can consult the bulletin board or talk to one of the officers to find out where the meetings will be held. This year's officers of SSC are Kris Leatherberry, president; Mark Warner, vice-president; and Leslee Ruszkowski, secretary. Mr. Reese is the advisor.

BLOODMOBILE

by Melisa Miller

On Wednesday, November 5th between 9:00 am and 1:00 pm, Student Council once again sponsored the Community Bloodmobile.

Aultman Hospital and Timken Mercy Medical Center transfused over 14,000 pints of blood last year. Their need for blood has increased each year since the program began; therefore, it was imperative that we reached new potential blood donors and requested that they consider giving at least one pint during the year.

All of the blood donated was very important because it will be used to save the lives of area patients from Stark, Carroll, and Tuscarawas Counties.

Melisa Miller and Robin Rodak were in charge of this year's annual bloodmobile. This year, 61 pints of blood were donated by students, teachers, and area citizens. All the blood donated was greatly appreciated.

Dear "D"

let's rap..

Dear "D", I'm having a very serious problem in my life right now. My parents are being so ridiculous, and I can't stand it. They keep hounding me about my grades because I'm getting two C's on my report card. I'm not perfect. What should I do? Help me "D"! Pestered by Parents

Dear Pestered, My advice? SHAPE UP OR SHIP OUT! Two C's!! Three cheers for your parents; if I were they, you'd be grounded for three months. Don't you realize that anything below an A is FAILURE? Get it in gear pal. The world has no room for substandard work. With disgust, "D"

Dear "D", I have a major problem! There is this guy that looks like Don Johnson, and he is only 4'11 and I'm 5'6. Should I go with him and be laughed at or dump him? Thank you, 5'6

LHS PRIDE

by Angie Finney

On Saturday, October 18, 1986 the LHS band left for Medina High School with high hopes and confidence.

The awards were given out and Louisville received first place percussion class A and Mark Ross received first place field commander class A. They also received best overall percussion, best overall field commander, and second place class A.

The band met at 4:30 in the morning on November 1st and headed for Columbus. The following ratings were given: majorettes 2, percussion 1, field commander 1, flag corps 3, and the band overall received a 2.

When a senior band member was asked his feelings on band, he said, "Band is a very time consuming activity that is lots of hard work but is well worth it. Also, band has helped me make many close friends and grow as a person."

OUTSTANDING TEENS

by Robin Rodak

October proved a successful month for two Louisville High School seniors. Mark Mason and Elizabeth Hamilton were named Repository Teens of the Month. Mark is the son of Hank and Doris Mason and resides at 5040 Oakridge Drive in Louisville. Liz lives at 5208 Oakridge Drive with her parents Deane and Janice Hamilton. Liz urges fellow students to "become involved in as many activities as you can handle while keeping your grades high." Mark is very proud of his accomplishments as he is quoted saying, "I am highly honored to receive this award and truly privileged to represent LHS." Congratulations Mark and Liz!
