Tennis

This year the Lady Leps did a remarkable job on the tennis courts. The team, which was coached by Mr. Parrish, had an excellent season record of 15-3. Although the team consisted of no seniors, they had seventeen dynamic players, seven of which were the starters. They were: Andrea Aljancic, Gina Antonosanti, Bobbi Beaver, and Tiffany Menegay, all juniors, plus Nicole Catalano, Dana Isreal and Sheryl Renie, all sophomores. Other members of the team include Dana Derlich(junior), Jill Alaback, Diane Donofrio, and Helen Juskiw(sophomores plus freshmen players Val Cook, Laura Bishop, Suzanne Hathaway, Karey Kibler, and Diane Mattern. The top singles player this year was Nicole Catalano. Nicole was the Canton AAA district champion who plays an "awesome game" as Mr. Parish said. As Canton district champion, Nicole progressed to the Cleveland regionals. There she placed fourth and, as a result, qualified to the state tournament. (Nicole was the youngest player in LHS history ever to qualify to state, last year in doubles and this year in singles.) Although Nicole didn't get the state title, she did an excellent job this year.

The first doubles team this year for LHS was: Aljancic and Antonosanti, both juniors. Although this super duo didn't qualify for regionals, they did a good job this year. The #2 doubles spot was filled with two very solid juniors, Beaver and Menegay.

On November 11th, the tennis team celebrated the end of their season by having a banquet at the Louisville Eagles Hall. Many rewards were given to all the starters plus special awards given to Nicole Catalano and Sheryl Renie. Nicole did a superior job this year, and, as a result, was named "most valuable player", Sheryl was the "most improved player" of the season, and Bobbi Beaver won the "coaches award."
