Dear Jay -

On behalf of the Harpers Ferry Historic Landmarks Commission, I look forward to your contribution to our architectural inventory over the next few months. Your experience as a professional photographer will be very valuable in photographing the houses of Harpers Ferry.

As you know, this project is sponsored by the Historic Landmarks Commission and supported by a grant from the Historic Preservation Unit of the State of West Virginia. It will enable us to have a documented historic and architectural record of our unique community.

Please call on us for any assistance you need.
