

Washington D. C.
May 2, 1896.

Dear Sir:

I saw a Report made in
a case in the House a week or
ten days ago which seems some
similar to yours, and as it was
in favor of the claimant for ten
thousand dollars, it seems to
me your case might be pressed
to advantage at the present time.
I enclose a Bill and if you
think well of the matter
you can send it to Mr. Day-
ton, with the request that he
introduce it.

Yours truly,

Geo. Keown Esq.
