

Dear Collector,

In the opinion of Resolution Photomatching, the jersey pictured on the previous page conclusively photomatches the jersey worn by Ted Williams in images from 7/12/1949 and 9/8/1949.

Conclusive photomatches were made based on the alignment of the lines and spots in the material with the custom stitched letters and buttons on the front of the jersey. Comparison analysis was conducted to confirm that these characteristics are unique to this specific jersey. Multiple images viewed from each date together led to the determinations of conclusive photomatches.

On 7/12/1949, the American League played the National League in the 1949 MLB All-Star Game at Ebbets Field in Brooklyn, New York. The American League won 11-7, and Williams recorded 2 walks and a run scored in the game. On 9/8/1949 the Boston Red Sox were scheduled to play the New York Yankees at Yankee Stadium in New York, but the game was postponed due to rain. Williams finished the 1949 season with a .343 batting average, 43 home runs, 159 RBI's, 150 runs scored, and 162 walks. Williams led the American League in home runs and led the major leagues in RBI's, runs scored, and walks, and won the American League MVP Award at the end of the season.

Sincerely,

A handwritten signature in black ink, appearing to read "John Robinson".
