Dear Collector,

In the opinion of Resolution Photomatching, the jersey pictured on the previous page conclusively photomatches the jersey worn by Wilt Chamberlain in an image from March 5, 1954.

A conclusive photomatch was made based on fraying threads and stitching imperfections on the custom stitched letters and number on the front of the jersey, and stitching imperfections on the piping on the left side of the front of the jersey. Comparison analysis was conducted to confirm that these characteristics are unique to this specific jersey. The shape of the custom stitched letters and the width of the piping on the sides and collar of the jersey were also confirmed to appear the same in the image of Chamberlain and on the jersey pictured above. These characteristics were determined to be somewhat unique but not definitively unique, so they were noted as supporting matching characteristics but not relied upon as conclusive matching characteristics. It should be noted that the width of the piping in a couple of areas in the image of Chamberlain appears slightly different, but this is due to folding over of the material while Chamberlain is wearing the jersey.

On the date of the photomatch, Overbrook High School played South Catholic High School in the 1954 Philadelphia City Title Game at the Palestra in Philadelphia. Overbrook won 74-50, and Chamberlain recorded 32 points in the game. Chamberlain won the Inquirer Most Valuable Player Award following the game.

Sincerely,
