Letter of Photomatch**

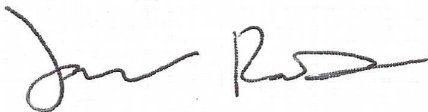

Dear Collector,

In the opinion of Resolution Photomatching, the jersey pictured on the previous page conclusively photomatches the jersey worn by Dick Butkus in an undated image. The image is captioned as being taken circa early 1970's at Wrigley Field.

A conclusive photomatch was made based on repairs on the front of the jersey, fraying threads and stitching imperfections on the custom stitched numbers on the front of the jersey, and loose threads on the custom stitched "5" on the left sleeve of the jersey. Comparison analysis was conducted to confirm that these characteristics are unique to this specific jersey.

Butkus played for the Chicago Bears from 1965-1973. Over that period, he was selected to 8 Pro Bowls and 5 First-Teams All-Pro. He was inducted into the Pro Football Hall of Fame in 1979.

Sincerely,

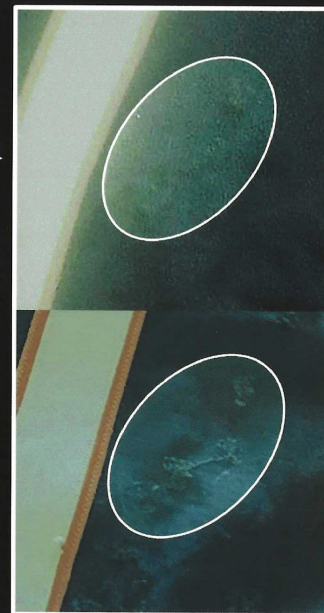

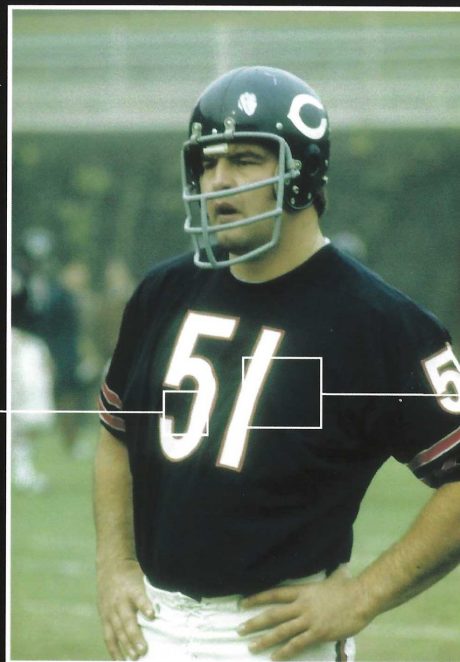

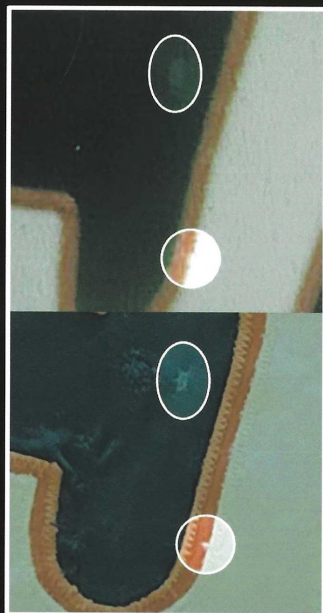

John Robinson
