Dear Collector,

In the opinion of Resolution Photomatching, the jersey pictured on the previous page conclusively photomatches the jersey worn by Johnny Unitas in an image from September 26, 1965.

A conclusive photomatch was made based on loose and fraying threads and stitching imperfections on the custom stitched numbers on the front and right sleeve of the jersey. Comparison analysis was conducted to confirm that these characteristics are unique to this specific jersey.

On the date of the photomatch, the Baltimore Colts played the Green Bay Packers at Milwaukee County Stadium in Milwaukee. Unitas recorded 211 total yards and a touchdown in the game.

Sincerely,

John Robinson
