Hubert J. Topliff
34 Squirrel Drive, RFD 2
Auburn, NH 03032

Dear Hugh,

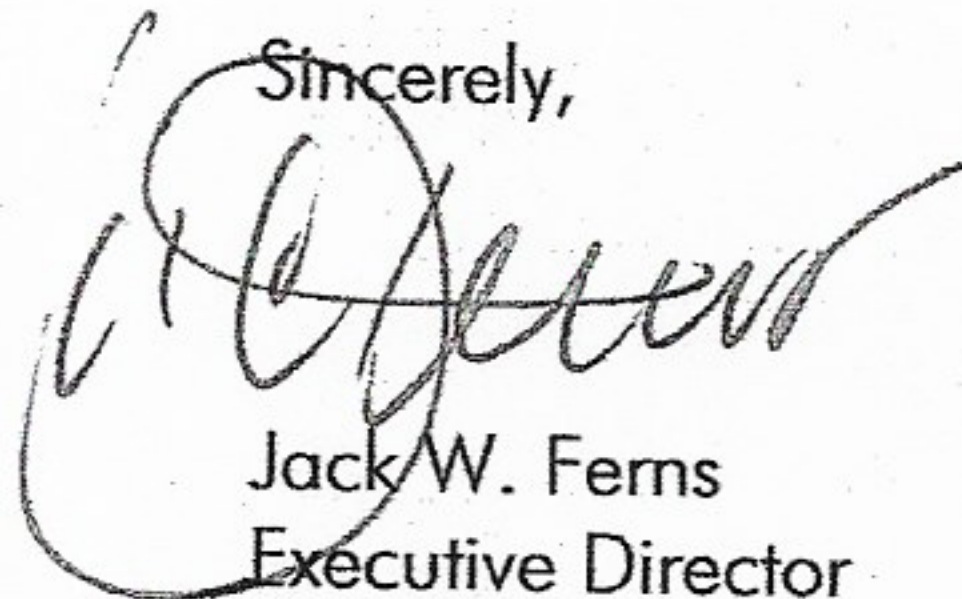

The Aviation Museum of New Hampshire wants to extend our heartfelt gratitude for your recent donation of the altimeter from the control tower at the Tinian Air Base, as well as the Dalton calculator. The museum serves as a beacon for our mission and is our Society's "front door" to NH aviation and the world.

As a non-profit, the aviation historical society relies on the generosity of people such as you to fulfill our mission.

Thank you again.

Sincerely,

Jack W. Ferns
Executive Director
