

7 KING STREET EAST, TORONTO 1, ONTARIO

September 14, 1970

Air Marshal W. A. Curtis,
Towers of Cable Beach,
P. O. Box 4939,
Nassau, Bahamas.

Dear Wilf:

It is always a pleasure to hear from you and
I thank you for your letter of September 8.

The international mailing system seems to work
reasonably well or better than your local post. Dorothy Baldwin assures
me your cheque was in the envelope when mailed from here. If it does
not show up after what you think is an appropriate interval, please let me
know and we shall stop payment of it and issue a duplicate.

It is a small matter for us to amend mailing
instructions, however your September 15 cheque has already been put
in the post. In future, we shall send your cheques to:

Bank of Nova Scotia,
Emerald Beach Hotel Branch,
P. O. Box 518,
Nassau, Bahamas.

Your summer temperatures seem a bit high for
golf but should be very pleasant for swimming and lazing around the pool
and eating too much.

I have delivered your best regards to Dorothy
Baldwin and Phyllis Buchelt who are envious of your relaxed way of life
and environment.

I hope that Miola and you are keeping well and
enjoying life. I often think of you both.

Yours sincerely,

A. A. Bailie
