LOOKING back is almost as much fun as looking ahead, although not always so profitable. The early days were good days, even if we did have our share of headaches and crises—as you Orenda old-timers will remember.

The fact that so many of us have reached the 10-Year Club—and are already well on the way to a new 15-Year Club—proves that hard work and overcoming obstacles has probably been good for us.

It has been a most rewarding experience to have been associated with so many fine people for so long. May I, personally and on behalf of Orenda management, wish you well for the future. May we all enjoy many more such happy anniversaries as this.

EARLE K. BROWNRIDGE,  
Executive Vice-President  
and General Manager.

## Welcome New Members

Coincident with your entry into the Orenda Ten Year Club, we wish to welcome you into the ASSOCIATION, of which you are now automatically a member.

The Association exists with only one object in mind — to provide social activities for all members of the Orenda Ten Year Club and their wives, or husbands.

During our three years of operation, we have enjoyed some wonderful parties, and tonight, in welcoming you to our Association, we express the hope that you will take an active part in our future activities.

*Ten Year Club Association Directors.*
