Dear Fred.

I came across the name of the lady I had spoken to at 36 Adelaide E. regarding my 1967 Income tax it is Mrs B. M. Payne.

Have you heard anything from the Income tax department since I wrote you. I am anxious to clear things up and would appreciate any information you can let me have. While no news may be good news, I am abit anxious for some news of developments.

Sincerely

Wilf Curtis.
