Dear Doug. :

Many thanks for your letter and cheque for £ 73.50 as of Jan. 5, 1984.

looks like you have had a busy and profitable few months for both of us.

You ask for comments and I have a couple. Don't bother to send a Registered Letter if sending a cheque over, as a cheque is fairly safe in itself. We would prefer that any funds raised in U.K. be paid into our MIDLAND BANK, NORTH FARNBOROUGH BRANCH (across from Clock House) Account #61075667.

This avoids the transfer into Dollars and leaves us funds for use while in U.K. on holidays etc.

At the moment plans are for a short visit Sept. 1 - Sept. 16th inclusive and we expect to stay at Fleet. Will let you know more on this as it gets closer.

Has there been any development on the pile of wood left at the side of the house? When you write again, would it be possible to list the FLYING SAUCER book TITLES, AUTHORS, PUBLISHER and date of publication, that you have copies of? I could check in Toronto Libraries and maybe get a copy to read.

All the very best to you and the wife for 1984.

Sincerely,

Marion & Les Wilkinson
