J. A. Wellings has been named to succeed C. J. Luby as general manager of Canadian Steel Improvement Ltd. effective the end of this month. Mr. Luby has resigned as CSI president effective that date and will join the board of a company prominent in the aircraft industry in Britain. Mr. Wellings is now vice-president, operations, and a director of CSI. He joined the firm a year ago.

J. T. Dymont, director of engineering for Trans-Canada Air Lines, has been elected vice-president in charge of activities concerned with air transportation by the Society of Automotive Engineers Inc. in New York.

Group Captain John K. F. MacDonald has been appointed Commanding Officer of No. 3 (F) Wing, of the RCAF's NATO Air Division. He has been succeeded in his post as Director of Air Plans and Programs at Air Force Hq. by Group Captain Reginald J. Lane. Group Captain A. C. Hull, former CO of No. 3 Wing has been named Senior Air Staff Officer of Air Defence Command at St. Hubert, Que.

R. Finney has been appointed a representative of Jarry Hydraulics.

Captain (E) C. G. H. Daniel, RCN, has been appointed Assistant Chief of Naval Technical Services (Air) at Naval Headquarters.

Scott Young has been appointed to head the public relations department of Orenda Engines Ltd. as an Assistant to the General Manager. He succeeds Cyril Bassett who for reasons of health has relinquished his Orenda post to return to staff duties at A. V. Roe Canada.

Frank Entwistle has been appointed Chief of Contracts Administration by Cossor (Canada). Just prior to joining the firm he was chief of the flight branch of the International Civil Aviation Organization in Montreal.

Canadian Pacific Airlines recently announced three executive appointments. J. G. "Pat" Twist was made assistant general manager of operations; H. D. Cameron became manager of domestic lines; V. H. Perry was named assistant to the vice-president.

Lt.-Cdr. Rodney V. Bays, RCN, has been appointed Commanding Officer of Helicopter Squadron 21 based at HMCS Shearwater, the naval air station near Dartmouth. He succeeds Lt.-Cdr. John H. Beeman, who becomes Helicopter Liaison Officer on the staff of the Naval Member, Canadian Joint Staff, Washington, D.C.

British Overseas Airways Corp. has appointed G. S. McDougall as manager for Canada. The corporation also announced appointment of R. W. I. Geldard to the position of manager for Montreal.

Gray Willson, has been appointed assistant general manager of Aeromagnetic Surveys Ltd., Toronto. He was formerly project administrator for the Canadian Colombo Plan Pakistan survey.

F. Manly Haines has been named production director of PSC Applied Research Ltd., Toronto. James Speight, formerly with Ontario Hydro, has been appointed his assistant. Spein Sunde, has been appointed production manager and Oswald Schmidt becomes assistant production manager, precision instrumentation and mechanical. Roy Adams has been named assistant production manager electric and electronic instrumentation.
