

people

The appointment of **E. C. Hodsohl** (above) as vice-president, operations, of Litton Systems (Canada) Limited, Toronto, is announced. Hodsohl, a graduate of the University of Toronto with a B.A.Sc. in electrical engineering, has been operations manager of Litton Systems since its incorporation two years ago. An ex-RCAF radar specialist, he is a member of the Professional Engineers of Ontario.

Dowty Equipment of Canada Ltd. (aircraft division) has appointed **William Brockie** as sales and service representative. A former field representative for Avro Aircraft Ltd., he saw service with the RCAF at Comox, B.C., and Prestwick, Scotland, on the CF-100s.

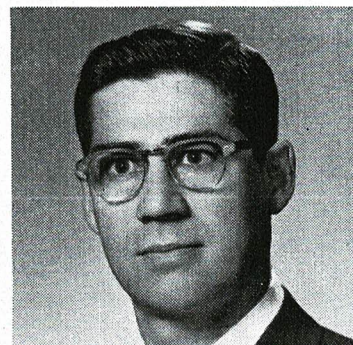

The retirement of A/M **Hugh Campbell**, CBE, CD, Royal Canadian Air Force, on 15th September, 1962, on completion of tour of office as Chief of the Air Staff, is announced. Campbell will be succeeded by A/M **C. R. Dunlap**, CBE, CD, now serving as Deputy Chief of Staff, Operations, at Supreme Headquarters, Allied Powers Europe.

Appointment of **Bruce D. Darling** as Manager of Canadian field sales for Garrett Manufacturing Limited, Rexdals, Ont., is announced. He has been Garrett representative in Ottawa for several years and will maintain his headquarters there.

Newly elected president of British Columbia's Aero Club is **V. M. "Vic" Terry**, a former RCAF officer. A superintendent of the Greater Vancouver Water Board, Terry operates his own Bonanza for pleasure purposes. Other directors include: **Trev Deely**, **Ernie Antle**, **Bill Haggarty**, **Dave Hazlewood**, **Jack Leggatt**, **Ken White**, **Len Bennett** and **Norm McLeod**.

Assuming duties as a member of the Air Transport Board is **G. Russell Boucher**, Q.C., replacing **A. D. McLean**, OBE, whose term of office expired. Boucher, a one-time MP for Carleton, Ont., and a magistrate in Carleton and Russell counties, is an Ottawa barrister.

Richard L. Bolduc, regional controller, civil aviation, for the Department of Transport at Winnipeg, has been appointed chief of the Air Accident Investigation Division at Ottawa headquarters, filling the vacancy created by the retirement of **Charles Travers**. Bolduc served overseas in the RCAF during the war, and received the award of DFC. In 1954 he became superintendent of Air Carrier Operations and Inspection and in 1960 was promoted to Regional Controller, Civil Aviation for Winnipeg Region.

Newly appointed secretary of Timmins Aviation Ltd., Montreal, is **E. Bonar Lindsay** (above). An engineer with several years' experience in the aviation industry, Mr. Lindsay joined Timmins in 1960. He was formerly manager of the company's Texaco Sky Service Division.

RE: AVIATION INSURANCE

Ask your broker to place through **STEWART SMITH** because:

- 1) We are probably the largest placers of Aviation Insurance in the world — with a long record on airlines — manufacturers and other operations.
- 2) STEWART SMITH has pioneered and still leads in formulating special variations of excess, and other specialized covers for Aviation operations.
- 3) Our Offices worldwide, keep us in touch with all developments in every market.
- 4) Our always-open private wire to London, England (unique in the Insurance business in America) gives us fastest service to Lloyds and permits sending of complete communications without cable charges.
- 5) Our top Aviation specialists from London are frequently in Montreal, Toronto and Vancouver to supplement our competent coast to coast service.
