

Appointment is announced of **John A. Lenahan** (above), chief forecaster of Uplands weather forecast office, Ottawa, to the position of acting district director of Air Services, Department of Transport, at Moncton, N.B. His transfer is part of the Department's management development program. He replaces **R. W. Goodwin**, who is on temporary transfer as associate director-general of Air Services in Ottawa, as part of the same scheme.

Appointed directors of Enamel and Heating Products Ltd., Sackville, N.B., are **Eino A. Kajander** and **William J. Wienand Jr.** Kajander is vice-president in charge of sales of the consumer division and Wienand is vice-president in charge of aircraft and steel divisions.

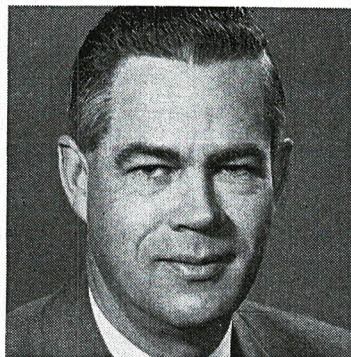

Donald W. Richardson has been made manager of the new defense and special products division of Leland Electric Canada Ltd., Guelph, Ont. He was formerly manager of the Dayton, Ohio, branch of Reliance Electric and Engineering Co. Attended the University of Toronto.

Former chief project engineer of the Stratos division of the Fairchild Engine and Airplane Corp., Bay Shore, N.Y., **Robert M. Flanagan** has been promoted to the newly created position of assistant chief engineer.

Formerly deputy sales director and executive assistant to vice-president sales of Canadair Ltd., Montreal, **A. J. Lilly** (above) has been appointed director of sales. He is also executive assistant. **Louis S. Adamson** is named director of service, parts, sales and special projects; and **Karl H. Larsson**, director of commercial aircraft sales. **Arthur G. Sims** is made director of military aircraft and missiles sales.

Appointment of **Guest Hake**, presently Arrow project designer, engineering division, as quality control and inspection manager, is announced by Avro Aircraft Ltd., Malton, Ont. He succeeds **Joseph Fairburn**, who is retiring on July 31.

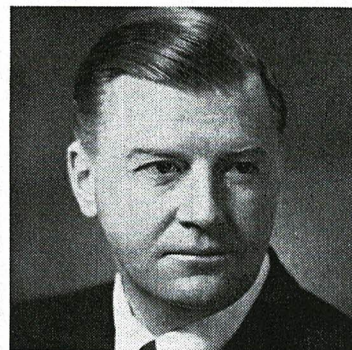

Carriere and MacFeeters Ltd., Toronto, announce the appointment of **Wally (A. W.) Stewart** (above) as manager of their Ottawa branch. He formerly held the position of sales and service representative of the firm in Toronto.

Newly appointed general manager of Collins Radio Co. of Canada Ltd., Toronto 16, is **J. P. Giacoletto**, who has held the position of director of engineering of the company since July, 1955. He has been active in development work covering a wide range of the company's specialized communications equipment.

Former assistant general manager of Bristol Aero Engines Ltd., Montreal, **L. W. Smith** (above), has been appointed general manager. **J. A. Limoges** relinquishes his executive appointments but continues as a director of the company, a member of the executive committee, and as chairman of the company's social and welfare association. **A. F. B. Milligan** has been promoted to secretary, and **J. R. Alarie** to treasurer.

Appointed district sales manager for Trans-Canada Air Lines in Toronto is **E. J. May** (above). He has held positions with the company in Vancouver, Chicago, and latterly, London, England. **W. M. Garven** replaces Mr. May as district sales manager in London, and **V. H. Fulcher**, former Toronto district sales manager, becomes assistant to the regional sales manager in Vancouver. Other TCA district sales manager appointments include: **A. G. McLarty**, Edmonton; **L. B. Sampson**, Northern Ontario (Sudbury); **J. C. Finlay**, Saskatoon; **W. N. Horner**, St. John's, Newfoundland; **J. M. Connolly**, Sydney, N.S.

Fairey Aviation Company of Canada Ltd., Halifax County, N.S., recently announced the appointment of **N. R. Hynes** to the position of sales and contracts manager for the Fairey organization in Canada. Mr. Hynes joined the Canadian company in 1949, serving successively as liaison and sales representative.
