Telephone: WHItchall 2064.

My dear Sir,

12th May 1966.

I received your letter of April 27th in England yesterday - it was forwarded from the Royal York Hotel.

I am sorry that the connection is sort of broken officially, but I do sincerely hope that this will not affect our personal relationship.

As you well know, I have always enjoyed our association and you were a great help to me on so many occasions, for which I am and always will be grateful.

Ted is doing a good job and he has remoulded the team and has got some good people with him. I have no doubt that Hawker Siddeley Canada from 1968/69 onwards will prove very successful.

I send my warmest personal regards and good wishes to you and your good lady and I do hope we will meet again during one of my trips to Canada and also when you are over here.

*Yours sincerely
Roy Dobson.*
