April 27th 1966.

My Dear Sir Reg:

Just a note to tell you how much I have enjoyed being associated with you and the Hawker Siddeley group for the last thirteen years.

When I joined you in the summer of 1953 I was the greenest of the green regarding "Big Business" operations. I have learned a lot since then, particularly in the last seven or eight years while working with and watching Ted in action.

I naturally feel very sad at severing my connections with the group but am convinced that

it is the right thing to do. It is really "Much later than I think"

The company has treated me most generously and I want to express my appreciation to both you and Ted.

With many thanks and all good wishes to you and ^{for} the company.

Sincerely

Wulf Burts.
