Canada's first completely designed and built Jet aircraft, the Avro Jetliner, in flight August 10 at Malton, Ont.

SHELL OIL COMPANY OF CANADA, LIMITED  
OFFERS ITS

# Congratulations TO AVRO CANADA

on the success of the test flight of the  
first jet-powered airliner  
in North America

## THE AVRO JETLINER

Shell is proud to have been chosen to supply the  
fuel and lubricants for such an historic flight, and  
to have had the privilege of contributing in this way  
to aviation progress.

YOU CAN BE SURE OF SHELL
