TO: ALL SPECIAL PROJECTS PERSONNEL

Will all personnel please note that the various waste containers in the building must be used exclusively for the purposes for which they are intended, as follows:

CLASSIFIED WASTE:

The RED containers are for scrapped prints and drawings and other material of a classified nature which must be disposed of by Plant Security in accordance with Security Regulations.

FOOD WASTE:

The WHITE containers are for all kinds of food waste which would soil other containers and cause unhygienic decomposition. These containers are emptied daily and regularly cleansed in your interests by the Food Service.

SMOKERS STANDS & TRAYS:

These conveniences are for the disposal of cigarettes and cigar butts, pipe dottles and match stalks to avoid littering the floor.

GREEN WASTE BINS:

These containers are for the disposal of general rubbish and scrap paper, and must NOT be used for disposal of either classified material or food refuse.
