

DATE Sept. 4th, 1956
TO Aerodynamics Section
FROM T.D. Earl
SUBJECT ORGANIZATION

1. For the current phase of work on the project the following groups in the Aerodynamics Section are defined:

	<u>Responsibility</u>
Performance	D. Whittley
Stability and Control	F. Heap
Aerodynamic Loads & Weights	B. Roden
Gas Dynamic Design	A. Bryans
Power Plant Test	P. Payne
Aerodynamic Test	J. Wassenaar

2. In my absence Mr. D. Whittley is in charge of the Aerodynamics Section. In the absence of both myself and Mr. Ferguson he is generally responsible for the technical office.
3. All memos, letters to outside agencies or written instructions of any kind originating from the aerodynamics section are to be submitted to me before issue.

T.D. Earl,
Chief Aerodynamicist

c.c. Mr. J.C.M. Frost
Mr. H.C. Moody
Mr. J. Stewart
Mr. D.C. Ferguson
