

Vignettes from the book

WAYFARERS--Canadian Achievers.

The two vignettes (pages 18 to 23 and 340 to 345), featured in this supplement spotlighting Canada's unique heritage in aerospace technology are examples of the contents of a series of books on Canadian achievements published by Heirloom Publishing Inc. of Mississauga, Ontario.

The book from which these stories were extracted contains highlights from the lives of more than one hundred prominent Canadians from all walks of life and of Canadian companies that have made significant contributions to Canada's growth and global reputation as a country of extraordinary achievement and opportunity.

While enjoying worldwide circulation, these prestigious books are published in limited editions and can only be obtained directly from the publishers, the address being :
