Dear Wilf:

Thanks for your letter of January 31,  
concerning a proposal to enter into a new consulting contract  
"outside of Canada". I see the point involved from your point  
of view.

I cannot take action on this personally,  
but will refer it through proper channels for consideration and,  
in due course, will let you know what the Company's reaction is  
to this proposal.

With best regards,

Yours sincerely,

A. A. BAILIE,  
Vice-President, Finance,  
and Treasurer.
