

12 JUNE 56.

SIR A. HALL.

TECHNICAL DIRECTOR UK.

DEAR SIR ARNOLD,

WE ARE NOW WELL INTO THE CP105 FIRE CONTROL SYSTEM WITH RCA. AND MINNEAPOLIS-HONEYWELL, AND I AM ATTACHING ^{TWO} MEMORANDA FOR YOUR FILES. YOU WILL SEE THAT HUGHES HAVE MAGNANIMOUSLY AGREED TO HAND OVER ALL THE DAMPING SYSTEM DATA TO MINNEAPOLIS-HONEYWELL, WHICH SHOULD CONSIDERABLY HELP THE PROGRAM ALONG ON THIS PARTICULAR ASPECT.

SINCERELY

J C F

V/P ENG.
