•Three key appointments in the management of the Aeronautical Group of A. V. Roe Canada have been announced. They are:

**Kenneth W. Brown**, as vice president & general manager of Avro Aircraft Ltd.; **John L. Plant**, as vice president & general manager of Canadian Applied Research Ltd.; and **Burton A. Avery**, as vice president & assistant general manager of Orenda Engines Ltd. Harvey R. Smith remains chairman and president of the three companies, all of which are located in the Toronto area.

In joining Avro's management from that of the Boeing Airplane Co., Mr. Brown is returning to Canada where he spent five years 1948-1953 in Montreal in the industry, being associated with Canadair Ltd. during that period. Prior to leaving the American firm, Mr. Brown held the appointment of general manager, operations, of Boeing's Aero-Space Division in Seattle, Wash. As such, he was responsible for Boeing's Bomarc, the Minuteman ICBM, and the Dynasoar orbital glide vehicle.

Both Mr. Plant and Mr. Avery were associated with A. V. Roe Canada Ltd. companies prior to their new appointments. Mr. Plant was previously president & general manager of Avro Aircraft Ltd. and Mr. Avery was most recently chief engineer of Orenda Engines.

•**Dudley S. G. Honor**, a former group captain in the RAF and who has spent much of his life in South America, has joined Canadair Ltd. as Latin American representative.

For the past seven years, Mr. Honor has been Latin American representative for the Bristol Aeroplane Co., and

was a member of the board of directors of the Mexican subsidiary.

•**J. T. Dyment**, chief engineer of TCA, has been appointed to represent air transportation on the SAE's newly formed engineering activity board. The only Canadian on the board, Mr. Dyment will act as sponsor for air transport activities of the board, representing airlines, other operators and aircraft manufacturers.

•**A. Graeme Macdonald**, one of Canada's aviation pioneers, retired last month from Canadian Pacific Airlines at the age of 68. Publications editor in the airline's training department at Vancouver, Mr. Macdonald closed out a career which began with Western Canada Airways in 1929.

•**James H. Field** has been named as manager of Muskoka Air Trails, Ltd., Huntsville, Ont. Mr. Field joined the company in August 1959 as maintenance supervisor. He has previously been associated with Canadian Aircraft Renters in Toronto, Fleet Manufacturing Ltd., Avro Aircraft Ltd., de Havilland Canada, and the DoT.

•**J. M. Richard Corbet** has been elected a director of Pacific Western Airlines. Mr. Corbet holds executive positions with several Canadian mining and industrial companies and has been closely associated with aircraft operations in mining and exploration activities over the past 30 years.

•**James McMillan**, president of the Fundy Flying Club of Saint John, N.B., died in Ottawa last month while attending the annual meeting of the RCFCFA. Death was believed to be due to a heart attack. Born at Alexandria,

K. W. BROWN

Ont., Mr. McMillan had been a senior mechanic at TCA for several years.

•**Egan Chambers, MC**, member of parliament for St. Lawrence-St. George, was recently appointed parliamentary secretary to the Minister of National Defence. A Military Cross winner in World War II, Mr. Chambers was first elected to the House of Commons in 1958.

•**John R. Belcher** has been appointed to the position of director of the ATB's operations branch. Prior to this appointment, Mr. Belcher was senior Canadian representative on the Council of the ICAO in Montreal.

•**Peter R. Tolley** has been named by the General Electric Co. as managing engineer—Canada to assist in the license manufacture of the GE J79 engine at Orenda Engines Ltd.

In this position, Mr. Tolley will have over-all responsibility for management and coordination of the GE technical assistance support program at Orenda in accordance with provisions of the license agreement. He will be located at the Orenda plant at Malton and will provide consulting engineering services to the Department of National Defence or prime contractor Orenda Engines Ltd.

•**KLM Royal Dutch Airlines** has announced the appointment of **M. J. P. van der Heyden** as general manager for Canada.

•**Earl K. Brownridge**, formerly president of Orenda Engines Ltd., has been recently appointed executive vice president & general manager of Canadian operations for American Motors (Canada) Ltd.

JACK DYMENT
