1 In accordance with your direction this Branch will obtain the information requested in min (1). CJS(W) SARMO has been informed verbally that all available information on this weapon is required. CJS opinion was that the RCAF had been given all of the information that could be expected until the USAF are advised of an RCAF decision to equip with Genie. A check is being made of all data now held at this HQ.

2 To proceed with this task it is necessary to obtain Zed clearances for ArmE-2 personnel as soon as possible. It is intended that all aspects of the Genie installation be covered within the existing Arm E-2 structure as follows:

Project Direction	Arm E2	W/C DW MacKellar
Missile Engineering	Arm E2-2	S/L C.T. Reiser
Missile Ordnance	Arm E2-2-2	F/L E.V. Watts
Missile Structures	Arm E2-2-4	F/O W.S. Smith*
Evaluation	Arm E2-4	S/L J.P. Dixie
Weapon System Test	Arm E2-4-3	F/L E.S. Coombes*
Missile Test	Arm E2-4-2	F/L D.G. Prentice*

NOTE

These personnel for the meantime others later if and when necessary proven. 13 Sep.

3 To ensure that security regulations are observed and possible delays due to security restrictions are avoided it is considered essential that all of the above personnel be cleared to receive Zed list information. At the present time only S/L Reiser is so cleared.

4 A request for admission of the personnel concerned to the RCAF Zed List is attached for your signature.
