CANADA'S AERO TRADE MAGAZINE

*The skill and ingenuity of Orenda's engineering team, the precise workmanship of her production force, are superbly demonstrated in this working cutaway showpiece Orenda 11, as shown at the S.B.A.C. Flying Display and Exhibition, FARNBOROUGH.*

## Orenda... power going places

In England, in Europe, in Canada, Orenda-powered Sabres and CF-100's of the Royal Canadian Air Force daily demonstrate leadership in their respective fields. Now Orenda Sabre 6's have been chosen for the South African Air Force "after giving consideration to all the best jet fighters now in production"—another tribute to Orenda power.
