

# Names in the News

•Canadian Pacific Airlines has announced six recent executive changes in the company organization. The changes come with the expansion in CPA's routes and equipment.

**H. Donald Cameron** becomes executive assistant to the president. Mr. Cameron graduated with a Masters degree from the University of Toronto in 1940 and immediately joined the Meteorological Div. of the DoT. During World War II he was in charge of meteorological stations for the RCAF at various stations in Canada. Prior to joining CPA in 1954, he held several important DoT posts.

**I. A. Gray** has been named general manager, operations. Before entering this department, Mr. Gray directed the maintenance and engineering programs of CPA's domestic and international fleets. Joining CPA in 1943, he became director of maintenance in 1952.

**W. A. Chambers** is now assistant general manager, operations. Born, raised and educated in Edmonton, Mr. Chambers started his aviation career with Yukon Southern Airways, one of the ten companies that formed CPA in 1942. After serving in the RCN during World War II, he returned to CPA and was sent to Vancouver as manager, western lines. He has risen through several executive positions to his present post.

**Captain R. B. Leslie**, appointed director of flight operations. A barnstormer of the old days, Capt. Leslie started his commercial flying career in 1931; has been with CPA since the inception of the company. During World War II, he served as both a flying instructor and in the RAF Ferry Command. Afterward, he returned to CPA as chief pilot, eastern division, based in

Montreal. He later transferred to Vancouver and flew as chief pilot, overseas lines.

**C. F. O'Brien**, manager, methods research, joined the company in 1957 as a methods analyst. In 1958 Mr. O'Brien was assigned to reorganize CPA's purchasing and stores department. He was later made manager of that department, the post he held until his new appointment.

**W. J. Lewis**, manager of purchasing & stores, has been working in this facet of the airline industry for twenty years. A graduate of the University of Manitoba, he joined Prairie Airways as purchasing agent in 1940. He has been with CPA since 1942.

•**Frank N. Buckley** has been appointed vice president, sales, for Aero Surveys Ltd. Well-known in the aerial survey field in Canada, Mr. Buckley will direct the widespread sales activities for the company which has offices in Vancouver and Ottawa.

•**Henry J. Weekes** has been named marketing manager of Parmenter & Bulloch Mfg. Co. Ltd., Gananoque, Ont. A native of Regina, Sask., Mr. Weekes obtained his B.Sc. degree from Harvard University in 1936. In his new post, he will be responsible for the selection, promotion, sale and distribution of all company products.

•**H. E. (Jim) Egbert** has been named director of manufacturing of Canadair's Missiles & Systems Div. He was formerly divisional manager of manufacturing engineering. In his new position, Mr. Egbert is responsible for all manufacturing, operations, supervising all shops, production control, procurement, plant engineering and maintenance. He joined Canadair in 1948 as plant engineer.

•**Gil Ernst**, well-known northern Saskatchewan bush pilot and tourist camp operator, was recently appointed sales manager for National Servair Co. Ltd., Edmonton, distributors for Bellanca 260 and Champion aircraft. An experienced pilot, Mr. Ernst has logged several thousand hours on floats, wheels and skis. He was once a pilot with Athabasca Airways, working out of Prince Albert and Lac La Ronge.

•**Benjamin J. Kaganov**, FCAI, FIAS, has been appointed to the newly created post of executive vice president of Canadian Aviation Electronics Ltd. Mr. Kaganov has joined CAE from Canadair Ltd., where for the last two years he has been director, research & advanced development. He has been associated with the aircraft industry for 20 years and prior to joining Canadair in 1950 he was a project engineer at Boeing and chief aeronautical engineer inspector of naval aircraft for the USN at Long Island, N.Y.

•**Sir Aubrey Burke**, deputy managing director of the Hawker Siddeley Group, has been elected a director of A. V. Roe Canada Ltd. Sir Aubrey joined the board of the Hawker Siddeley Group last month as a result of the successful offer for de Havilland, of which he is chairman.

•**Peter K. Casey**, DoT International Civil Aviation Co-ordinator, died suddenly on Easter Sunday at the age of 53. Mr. Casey joined the DoT in 1940 as an air traffic controller in training, and was appointed to the Ottawa Airport tower the same year.

•**Kenneth L. Marshall** has been appointed general manager of the aviation services division of Bristol Aero-Industries Ltd. Mr. Marshall was previously manager of the Montreal branch of the aviation services division and he is succeeded in this capacity by J. C. Walker.
