

David Hembrey

February 7, 1936 - June 30, 2023

Worked For:

Avro Canada

Position:

Worked on Avro Arrow

Obituary (online):

Obituary

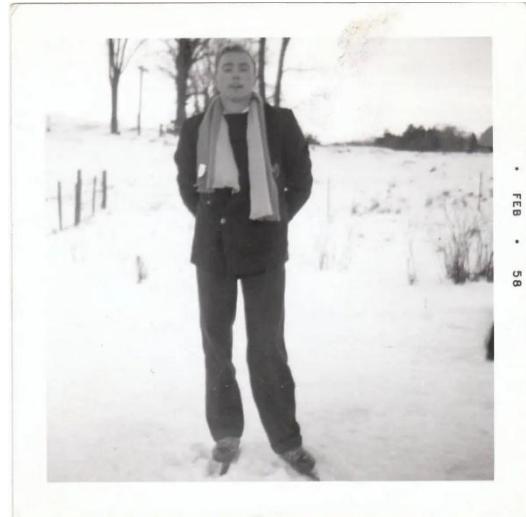

HEMBREY, David... Passed away peacefully with his family by his side at Ed's House Northumberland Hospice Care Centre, Cobourg on Friday, June 30th, 2023 at the age of 87. Beloved husband of Barbara Hembrey (née Daymond) for 65 beautiful years. Loving father of Brian Hembrey, Michele Hembrey Waunch (Paul) and Trevor Hembrey (Dina Cyriazis). Proud Grandad of Matthew Potter, Desmond Hembrey, Christopher Leal (Julie Kavar) and Jacob Cyriazis. Cherished brother of Michael Hembrey (Elizabeth) and Julie Leahey. David will be truly missed by nephews, extended family and many friends. David will be remembered for his competitiveness and love for Tennis, Table Tennis, Darts and Magic. He would be considered an amateur magician, who loved to share his tricks with his grandchildren. He is described as a real jokester who loved to make people smile and laugh. He truly loved his wife but what made their love sweeter was when she made him his favorite deserts, date squares and rice pudding. David is a part of Canadian History with his time working on developing the Avro Arrow. He was so proud to be a part of the Avro Arrow project and shared stories with his family with great honor. A special thank you to all the staff at Ed's House and the nurses at Campbellford Memorial Hospital for all their care and support. Keeping with David's wishes, cremation has taken place. Arrangements are entrusted with WEAVER Life Centre, Warkworth - 70 Church Street. As an expression of sympathy, donations may be made to Ed's House, Northumberland Hospice Care Centre in Cobourg.
