

Dolly Ford

Orenda employees, Dolly and Marg pose in front of the unveiled Iroquois.

Researched by: Barry Copp (2023)

George Pearkes takes the opportunity to congratulate and thank Dolly Ford for her presence.

An interesting cameo shot of some of the platform guests...they must have cracked a joke because everyone is beaming... is it the Iroquois or the girls... I'll leave this to you! From the left: Dolly Ford, George Pearkes, Marg Fry, Roy Simon, Walter McLaughlin, Roland Michener, Fred Smye and Ozzie Waffle, Reeve of Etobicoke Township.
