

BLACK FRIDAY

AFTER TEN YEARS WITH ORENDA ENGINES, LEFT FOR WORK ON FRIDAY MORNING FEB. 20/59, EXPECTING TO ATTEND A FOREMANS BANQUET THAT EVENING. THE TABLES WERE BEING SET IN A SMALL PLAZA AT THE SOUTH EAST QUADRANT OF HWY. 27 AND THE QUEEN E. AS I REMEMBER IT WAS CALLED (THE FORUM).

THE GUEST SPEAKER WAS TO BE MR. CHARLES GRINYER WHO WAS THE CHIEF EXPERIMENTAL ENGINEER\_\_ (NOT THE CHIEF IN OTTAWA!)

HIS TOPIC WAS TO BE, YOUR FUTURE WITH THIS COMPANY!!!!

THIS WAS NOT TO BE , THAT MORNING THE P.A. SYSTEM ANNOUNCED THE CLOSURE OF THE PLANT, AND IN LESS TIME THAN IT TAKES TO TELL IT

WE WERE ALL DIEFENED

AND NOT BY THE NOISE IN THE PLANT!

THIS BAKER SURELY STOLE A LOT OF BREAD FROM ME HAVING LOST JOB + PENSION + LIFE INSURANCE (COMPANY PLAN). THE ENGLISH - GERMAN FOR DIEFEN IS THIEF .

~~WE~~ <sup>VIEW</sup> WERE UNDER THE IMPRESSION THAT THIS COUNTRY WAS DEMOCRATIC AND NOT A DICTATORSHIP\_\_WHERE IN HELL WERE OUR DEMOCRATIC WIMPS?

WE ARE STILL BREEDING THEM.
