

Frank Edward Hellard

November 18, 1929 - March 30, 2019

Birth Location:

England

Death Location:

The John Parrott Centre, Napanee, ON

Worked For:

Avro Canada?

Position:

wood worker worked on Avro Arrow

Obituary (online):**Frank Hellard Obituary**

Peacefully, at The John Parrott Centre on Saturday, March 30th, 2019. Frank Hellard died at the age of 89 after a long battle with cancer. He was the beloved husband of 66 years to Daphne Hellard of Bath. Loved father of Grant Hellard and awesome father-in-law to Sherri of Bath. Proud grandpa of Ava. Frank and Daphne emigrated from England in 1956. He was employed in the aviation and automotive (GM) fields; first as a wood worker than (sic) as management and owner of his ow business. In retirement he spent his winters in Indiantown, Flordia (sic) and his summers in Bath, Ontario. He loved playing golf, cricket, lawn bowling, cards, and snooker with his many friends. He could often be found gardening or building some project for the home or cottage, or watching MASH reruns. At Frank's request, there will be no funeral. A celebration of life will be held at a later date. Cremation has taken place. In his memory, donations to The John M. Parrott Centre or Hospice would be welcomed.

I am a PSW who used to visit Frank at his home, before he moved into the Parrott Centre. I have many wonderful memories of making him poached eggs and toast and listening to his life stories: during the war as a boy in England, as a loadmaster in the RAF during the Berlin Airlift and while working on the Avro Arrow. He was truly a gentleman. It was a honour to have known him.
