To Students And Pals,

AND TEACHERS.

Way back here in South Africa; we who follow every movement of Space Travel conducted by U.S.A. were horrified AND griefstricken with the explosion of Challenger. Please friends, let us at this time forget Politics, and let us join together in pouring out our love and sympathy to those who have suffered so deeply in their loss.

And you, dear friends who watched so eagerly to the flight of CHRISTA, Oh God, may that horrid moments be erased from your dearset minds.

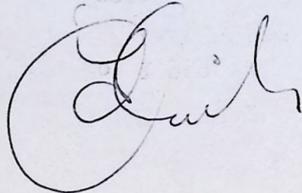

If any of you would like to write to me, I would love to hear from you.

REMEMBER it happened so suddenly, that Christo felt nothing and neither did any of the Astronauts.

Please do write. Meanwhile I pray that in time God will ease the pain from you.

All my Love,

TRUDY CHURCH.
