Dear Principal,

All the staff and pupils
of Hawarden High School join with
me in expressing their grief at the
death of one of your colleagues, Mrs
Christa de Buliffe. She appeared to us
as a lady of great charm, intelligence,
warmth and courage; she epitomised the
finest attributes of the teaching profession.

All our sympathy goes to her family.
Those who knew her will miss her greatly
but must count themselves fortunate that
they did indeed know such a fine lady.

Yours sincerely,

C.J. Harvey
(Headmaster)
