To the pupils and staff

Dear Friends

On Behalf of the pupils and Teachers
at Blaydon Comprehensive School
Blaydon England I wish to express

our Sympathy and Sorrow at the
death of your teacher Mrs Christa
Mc Auliffe and the other brave members
of the Shuttle.

We were all shocked to see
the T.V. pictures on the News.

We can only express our best wishes
for the future and hope this letter
will comfort your school from the
school children in Blaydon.

Love from
Alexandra Shields age 15.
