Dear Children

I have heard about the disaster that happened to your teacher, Mrs McAuliffe. I was very sad when I found out in the newspapers. Our teacher wanted to go up but she is not brave enough.

Yours Sincerely

Dear Children,

Our class were very sad to hear about your teachers death. We are interested because we are doing a project on it. I realise that she must have been a very brave person. I cannot imagine what it was like but if it had been my teacher I would have hated it. I expect you have had thousands of letters all expressing their sadness. I hope you will feel better about it soon.

Yours Sincerely
