Dears Friends,

I'm Pierpaolo Prati and attend the 3rd class of the Junior High School "Enrico Fermi" in Brescia, Italy. I share your sorrow for the tragedy in the space which involved your teacher Mrs. Christa Macauliffe. I watched the disaster on the television and I can understand your feelings.

I hope that every thing is going better in the future. For our good but especially for your good.

Yours from

P.s. I want to become your pen friend.
