Dear Staff and Students

On behalf of the staff and students of Centennial Secondary School of Belleville, Ontario, I would like to express our deepest sympathy for the tremendous tragedy which has beset your school. The news of the crash travelled very quickly throughout the school and by noon a general mood of shock and disbelief was obvious among the students. As students, we realize how some teachers give that extra effort to make school more enjoyable and worthwhile. We can understand the great contribution Mrs. McAuliffe must have made to your school and the tremendous loss you must feel. Our thoughts and prayers are with you all.

Yours truly

Steve Mulligan
