Dear Sir and children,

We were deeply sorry to hear about the tragedy which happened on Tuesday, 28th January when one of your teachers, Mrs. McAuliffe, was sadly killed in the Space Shuttle, "Challenger".

We hope that you will soon get over your great loss.

We heard about it on the television and read about it in the newspaper.

We all think that Mrs. McAuliffe, was a very brave lady to want to go on the Space Shuttle flight for the sake of children of the world.

Yours sincerely,

FORM MIDDLE A.
