Dear Sir,

Christa McAuliffe was the kind of teacher that all students could look towards for inspiration. We represent degree candidates from many colleges at the University of London, and although none of us personally knew Mrs. McAuliffe or her family, each of us has felt the pain of a very real loss. To you and your community we express our most sincere sympathy, and to the McAuliffe Family we would like to express our love. If you could deliver these wishes by making sure our message gets to the McAuliffes, we would greatly appreciate it.

Thank you very much and may God bless us all.

Sincerely yours,

Brian G. Jung,  
Student
